Writing A Paper On Responsibility

Social responsibility is a modern philosophy that states that all individuals and

organizations are obligated to help the community at large. This is typically an active effort involving acting against a social issue or prevention of committing harmful acts to the environment. Many companies and individuals engage in social responsibility because of its benefits on their immediate community as well as their business and profitability.

Essays on Social Responsibility | The Classroom

In the past, businesses primarily concerned themselves with the economic results of their decisions. "Today, however, businesses must also reflect on the legal, ethical, moral and social consequences of their

decisions" (Anderson 15). This paper will discuss the concept of corporate social responsibility. It will give the definition of the phrase, and identify some of the global factors that necessitate corporate social responsibility.
