Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book,

she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit “reply all”
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with your work
- your cubemate's loud speakerphone is making you homicidal
- you got drunk at the holiday party

Out East

Memoir of a Montauk Summer
Grand Central Publishing
An “extraordinary” debut memoir of first love, identity, and self-

discovery among a group of friends who became family in a Montauk summer house (Andrew Solomon, National Book Award winner). They call Montauk the end of the world, a spit of land jutting into the Atlantic. The house was a ramshackle split-level set on a hill, and each summer thirty-one people would sleep between its thin walls and shag carpets. Against the moonlight the house's octagonal roof resembled a bee's nest. It was dubbed The Hive. In 2013, John Glynn joined the share house. Packing his duffel for that first Memorial Day Weekend, he prayed for clarity. At twenty-seven, he was crippled by an all-encompassing loneliness, a feeling he had carried in his heart

for as long as he could remember. John didn't understand the loneliness. He just knew it was there. Like the moon gone dark. Out East is the portrait of a summer, of The Hive and the people who lived in it, and John's own reckoning with a half-formed sense of self. From Memorial Day to Labor Day, The Hive was a center of gravity, a port of call, a home. Friendships, conflicts, secrets and epiphanies blossomed within this tightly woven friend group and came to define how they would live out the rest of their twenties and beyond. Blending the sand-strewn milieu of George Howe Colt's *The Big House* with the radiant aching of Olivia Liang's *The Lonely City*, *Out East* is a

keenly wrought story of love and transformation, longing and escape in our own contemporary moment.

"An unforgettable story told with feeling and humor and above all with the razor-sharp skill of a delicate and highly gifted writer." -- André Aciman, New York Times bestselling author of *Call Me by Your Name* "Out East is full of intimacy and hope and frustration and joy, an extraordinary tale of emotional awakening and lacerating ambivalence, a confession of self-doubt that becomes self-knowledge." -- Andrew Solomon, National Book Award winner An Entertainment Weekly Best Book of May 2019 A Time magazine Best Book of May

Where I Come from

Life Lessons from a Latino Chef *Abrams Press*

America's most prominent Latino chef shares the story behind his food, his family, and his professional journey. Before Chef Aarón Sánchez rose to fame on shows such as *MasterChef* and *Chopped*, he was a restless Mexican American son, raised by a fiercely determined and talented woman who was a successful chef and restaurateur in her own right--credited with bringing Mexican cuisine to the New York

City dining scene. Aarón Sánchez was destined to follow in his mother's footsteps. He spent nights as a child in his family's dining room, surrounded by some of the most influential chefs and restaurateurs in New York. He lost his father at a young age, and at 16 he was sent to work for renowned chef Paul Prudhomme in New Orleans. In this memoir, Sánchez delves into his formative years with remarkable candor, injecting his story with adrenaline and revealing how he fell in love with cooking and made a go of it in the fast-paced culinary world. Sánchez shares invaluable lessons he learned--both inside and outside the kitchen--and offers an

intimate look into the chaotic and untraditional life of a professional chef and television personality. This is Sánchez's highly personal account of a fatherless Latino kid whose talent and passion took him to the top of his profession.

Culinary Artistry *John Wiley & Sons*

"In Culinary Artistry...Dornenburg and Page provide food and flavor pairings as a kind of steppingstone for the recipe-dependent cook...Their hope is that once you know the scales, you will be able to compose a symphony." --Molly O'Neil in The New York Times Magazine. For

anyone who believes in the potential for artistry in the realm of food, Culinary Artistry is a must-read. This is the first book to examine the creative process of culinary composition as it explores the intersection of food, imagination, and taste. Through interviews with more than 30 of America's leading chefs including Rick Bayless, Daniel Boulud, Gray Kunz, Jean-Louis Palladin, Jeremiah Tower, and Alice Waters the authors reveal what defines "culinary artists," how and where they find their inspiration, and how they translate that vision to the plate. Through recipes and reminiscences, chefs discuss how they select and pair ingredients, and how flavors are

combined into dishes, dishes into menus, and menus into bodies of work that eventually comprise their cuisines.
