International Marketing: An Asia-Pacific Perspective by ...

International marketing is simply the application of marketing

principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of this lesson on international marketing and those that follow it, international marketing and global marketing are interchangeable.

What is International Marketing?

International Marketing, 6e is written from a wholly Australasian perspective and covers issues unique to local marketers and managers looking towards the Asia-Pacific region, the European Union, and beyond.
