A Novel of Bonnie and Clyde *Forge Books*

"Full of charm and sly humor, SIDE BY SIDE tells the story of Bonnie and Clyde's slide from lovebirds to jailbirds—and what an action-packed story it is! Vivid storytelling and a few shots of humanity breathe new life into this notorious duo. US Empire, Puerto Rico, and the Roots of American Youth Literature and Culture *Univ. Press of Mississippi*

During the early colonial encounter, children's books were among the first kinds of literature produced by US writers introducing the new colony, its people, and the US's role as a twentieth-century colonial power to the public. Subsequently, youth literature and media were important tools of Puerto Rican cultural and educational elite institutions and Puerto Rican revolutionary thought as a means of negotiating US assimilation and upholding a strong Latin American, Caribbean national stance. In *Side by Side: US Empire, Puerto Rico, and the Roots of American Youth Literature and Culture*, author Marilisa Jiménez García focuses on the contributions of the Puerto Rican community to American

youth, approaching Latinx literature as a transnational space that provides a critical lens for examining the lingering consequences of US and Spanish colonialism for US communities of color. Through analysis of texts typically outside traditional Latinx or literary studies such as young adult literature, textbooks, television programming, comics, music, curriculum, and youth movements, *Side by Side* represents the only comprehensive study of the contributions of Puerto Ricans to American youth literature and culture, as well as the only comprehensive study into the role of youth literature and culture in Puerto Rican literature and thought. Considering recent debates over diversity in children's and young adult literature and media and the strained relationship between Puerto Rico and the US, Jiménez García's timely work encourages us to question who constitutes the expert and to resist the homogenization of Latinxs, as well as other marginalized communities, that has led to the erasure of writers, scholars, and artists.

Fiona and Jane *Penguin*

"A knockout of a book." —Viet Thanh

Nguyen, Pulitzer Prize-winning author of *The Sympathizer* and *The Committed* "Fiona and Jane is the book I did not know I was waiting to be written. . . . Read this remarkable work of fiction and feel the world open up around you." —Angela Flournoy, author of National Book Award finalist *The Turner House* "Unsentimental, subtly subversive, and always surprising. . . . I love this book." —Cathy Park Hong, author of Pulitzer Prize finalist *Minor Feelings* A witty, warm, and irreverent book that traces the lives of two young Taiwanese American women as they navigate friendship, sexuality, identity, and heartbreak over two decades. Best friends since second grade, Fiona Lin and Jane Shen explore the lonely freeways and seedy bars of Los Angeles together through their teenage years, surviving unfulfilling romantic encounters, and carrying with them the scars of their families' tumultuous pasts. Fiona was always destined to leave, her effortless beauty burnished by fierce ambition—qualities that Jane admired and feared in equal measure. When Fiona moves to New York and cares for a sick friend through a breakup with an opportunistic boyfriend, Jane remains in California and grieves her estranged father's sudden death, in the process alienating an overzealous girlfriend. Strained by distance and unintended betrayals, the women float in and out of each other's lives, their friendship both a beacon of home and a reminder of all they've lost. In stories told in alternating voices, Jean Chen Ho's debut collection peels back the layers of female friendship—the intensity, resentment, and boundless love—to probe the beating hearts of young women coming to terms with themselves, and each other, in light of the insecurities and

shame that holds them back. Spanning countries and selves, Fiona and Jane is an intimate portrait of a friendship, a deep dive into the universal perplexities of being young and alive, and a bracingly honest account of two Asian women who dare to stake a claim on joy in a changing, contemporary America.

Community Art and the Challenge of Co-Creativity *Taylor & Francis*

A new wave of community arts projects has opened up exciting areas of cross-cultural creativity in recent years. These collaborations of local people, arts facilitators, anthropologists and supporting organisations represent a flourishing new form of arts-based collaborative anthropology that aims to document the stories and cultures of local people using creative art forms. Often focusing on social and cultural agendas, from education and health promotion to advocacy and cultural heritage preservation, participants bring together methods historically linked to anthropology with those from the arts and community development. *Side by Side? - The Challenge of Co-creativity* investigates these creative projects as sites of significant cultural creation and potential social change. Through the exploration of a range of diverse collaborations, the common threads and historical contexts in this domain of cultural creativity are examined. The role that creative arts collaborations can have in disrupting existing hierarchies of social power and knowledge creation is analysed, as are the potential futures, historical and cultural implications of these co-creative practices. Drawing on the experiences and reflections of over 30 facilitators from more than 7

countries, and written by an experienced collaborative arts practitioner and researcher, this exciting forthcoming book will play a defining role in the emerging critical discourse on collaborative art and collaborative anthropology. It is essential reading for collaborative anthropologists, arts facilitators and others who aim to collaborate cross-culturally, as well as students of Art, Anthropology, and related subjects.
