### 12 Free Single Crochet Patterns - EasyCrochet.com

The chain-free method is fun and easy to do and allows you to work exactly the number of stitches needed for the first row of your pattern. It makes the stitches in the first row more elastic and gives the edge a neat, finished appearance. The basic idea for single crochet, half double crochet and double crochet foundation stitches is the same; once you understand the idea behind it, you will be able to work any stitch with ease.

Most crochet projects start with a chain stich. First, make a loop with your yarn. Next, guide your hook through the loop under the tail of the yarn, and pull it back out. From there, pull the tail to tighten the yarn around your hook to make a slip knot. Once you've made a slip knot, hold the end of it between your thumb and middle finger.
