Federal Suitability And Security Clearances

FEDERAL SECURITY/SUITABILITY CLEARANCE CHART This chart identifies sensitivity levels applied to all federal jobs and most federal contractor jobs. It shows the related application forms, investigations, security/suitability clearance determinations, and reinvestigations. Some jobs are designated as both Public Trust and National Security positions.

Federal Suitability/Security Clearance Chart

If a person has passed a suitability screening with the federal government it does not indicate they will also be able to obtain a federal security clearance. Suitability determinations are often used by the federal government and government contractors in initial applicant screenings.

What is the Difference Between Suitability and a Security ...

An individual's security clearance is not technically transferable. Rather, most agencies will rely upon a sister agency's adjudication of a security clearance so long as it is active and the agency has not received derogatory information calling into question the individual's suitability to have access to classified information.

Introduction to the Federal Security Clearance Process

SECURITY/SUITABILITY CLEARANCE DETERMINATION; Level 1 None: Non-Sensitive: SF85: None or NACI (2) None, HSPD-12 PIV Card: Level 2 NACLC every 5 yrs (4) National Security Non-Critical Sensitive: SF86: NACLC or ANACI (3) Confidential, Secret or DOE "L" Level 3 SSBI-PR every 5 yrs: National Security Critical Sensitive: SF86: SSBI: Top Secret: Level 4

FEDERAL SECURITY / SUITABILITY CLEARANCE CHART

Obtaining a Security Clearance. Depending on their mission and role in national security, many federal agencies require security clearances. Only federal agencies can grant security clearances. Examples of agencies that may require higher levels of clearance include: Intelligence community (e.g., Central Intelligence Agency, National Security Agency)

Background Checks and Security Clearances for Federal Jobs ...

“Suitability” refers to a person’s identifiable character traits and conduct sufficient to decide whether employment or continued employment would or would not protect the integrity or promote the efficiency of the service 7

Suitability or Security - OPM.gov

Security Clearance. Some jobs require a security clearance. The security clearance level depends on the type of access to classified information and secure facilities that you'll need to perform your job. For jobs that require a security clearance, you'll need to provide at least 10 years of personal information and maybe more.

What are background checks and security clearances? - USAJobs

The major problem for an applicant seeking a security clearance is that, regardless of state laws, marijuana is still illegal at the federal level. Use, possession, and transportation of marijuana, as well as association with marijuana users, and several other factors can potentially disqualify applicants for a security clearance.

Mitigating Marijuana Issues for New Security Clearance ...

Security clearances only apply to positions that fall under the purview of the federal government. Executive Order 12968, Access to Classified Information, provides that security clearances are only granted to persons employed by, detailed or assigned to, or working on behalf of the federal government.

Security Clearances - United States Department of State

Security clearances can be issued by many United States of America government agencies, including the Department of Defense (DoD), the Department of State (DOS), the Department of Homeland Security (DHS), the Department of Energy (DoE), the Department of Justice (DoJ), the National Security Agency (NSA), and the Central Intelligence Agency (CIA). DoD issues more than 80% of all clearances.

List of U.S. security clearance terms - Wikipedia

Title 5 Code of Federal Regulations Part 731 governs federal employment suitability standards and procedures. Section 731.202 of 5 CFR 73 covers specific suitability criteria. The “Adjudicative Guidelines for Determining Eligibility for Access to Classified Information” governs federal security

clearance criteria. Employment suitability and security clearance criteria are very similar, but a few differences exist.

Employment Suitability Versus Security Clearance | FEDCAS

About 3 million jobs require a security clearance and over 800,000 investigations and reinvestigations are conducted each year. 2. Federal Employment Suitability and Fitness regulations require all federal employees and contractor applicants for Public Trust positions be investigated and receive favorable suitability or fitness determinations. About 400,000 investigations are conducted a year for this purpose.
