Haynes publishes new Owners Workshop Manual for Mk7

...

I agree, we had a mk4 golf for 7 years before we bought this 2007 mk5 Golf and the mk5 is better at everything. It is heavier but still handles better than the mk4 IMO, it gets better mileage than the old one, 46mpg vs 44mp. It has an electrical heater that is awesome, you get hot air from the vents within minutes even during the coldest days.
