Answered May 6, 2018.
 It is because we are, this is the first time in human history, where we have technology

and science is widely accepted, without being ridiculed by religious figures. We are truly out of the dark ages and the basic humanity of a few hundred years ago and we are now in the age of light, where people can be cured of many ailments and you dont even have to get up from your lazy buttocks to get food, you can just shout at a machine to do it.

Why is the modern age called the age of science and ...
