Discusses how to overcome fears, phobias, and panic

attacks, improve intimate communication, cope with anxiety, and deal with many other everyday problems

Ten Days to Self-Esteem

The Leader's Manual *Harper Collins*

Do you wake up dreading the day? Do you feel discouraged with what you've accomplished in life? Do you want greater self-esteem, productivity, and joy in daily living? If so, you will benefit from this revolutionary way of brightening your moods without drugs or lengthy therapy. All you need is your own common sense and the easy-to-follow methods revealed in this book by one of the country's foremost authorities on

mood and personal relationship problems. In *Ten Days to Self-esteem*, Dr. David Burns presents innovative, clear, and compassionate

methods that will help you identify the causes of your mood slumps and develop a more positive outlook on life. You will learn that You feel the way you think: Negative feelings like guilt, anger, and depression do not result from the bad things that happen to you, but from the way you think about these events. This simple but revolutionary idea can change your life! You can change the way you feel: You will discover why you get depressed and learn how to brighten your outlook when you're in a slump. You can enjoy greater happiness,

productivity, and intimacy—without drugs or lengthy therapy. Can a self-help book do all this? Studies show that two thirds of depressed readers of Dr. Burns's classic bestseller, *Feeling Good: The New Mood Therapy*, experienced dramatic relief in just four weeks without psychotherapy or antidepressant medications. Three-year follow-up studies revealed that readers did not relapse but continued to enjoy their positive outlook. *Ten Days to Self-esteem* offers a powerful new tool that provides hope and healing in ten easy steps. The methods are based on common sense and are not difficult to apply. Research shows that they really work!

Feeling good feels wonderful. You owe it to yourself to feel good!

Feeling Great

The Revolutionary New Treatment for Depression and Anxiety

Pesi Publishing & Media

Do you sometimes feel [€]. Down, depressed, or unhappy? Anxious, panicky, or insecure? Guilty or ashamed? Inferior, inadequate, or worthless? Lonely, unwanted, or alone? For decades, we've been told that negative feelings like depression and anxiety are the result of what's wrong with us, like a personality defect, a "mental disorder," or a chemical imbalance in your brain. These messages create feelings of shame and

make it sound like we're broken and need to be "fixed." Now, Dr. David Burns, author of the best-selling and highly acclaimed *Feeling Good: The New Mood Therapy* reveals that our negative moods do not result from what's wrong with us, but rather [€] what's right with us. And when you listen and suddenly "hear" what your negative thoughts and feelings are trying to tell you, suddenly you won't need them anymore, and recovery will be just a stone's throw away. In this innovative book, *Feeling Great*, Dr. Burns, describes a new and revolutionary high-speed treatment for depression and anxiety based on 40 years of research and more than 40,000 hours

treating individuals with severe mood problems. The goal is not just a rapid and complete elimination of negative feelings, but the development of feelings of joy and enlightenment. Dr. Burns will provide you with inspiring and mind-blowing case studies along with more than 50 amazing tools to crush the negative thoughts that rob you of happiness and self-esteem. You can change the way you feel! You owe it to yourself to FEEL GREAT!

Feeling Good Together

The Secret to Making Troubled Relationships Work *Harmony*

Based on twenty-five years of clinical

experience and groundbreaking research on more than 1,000 individuals, *Feeling Good Together* presents an entirely new theory of why we have so much trouble getting along with each other, and provides simple, powerful techniques to make relationships work. We all have someone we can't get along with—whether it's a friend or colleague who complains constantly; a relentlessly critical boss; an obnoxious neighbor; a teenager who pouts and slams doors, all the while insisting she's not upset; or a loving, but irritating spouse. In *Feeling Good Together*, Dr. David Burns presents Cognitive Interpersonal Therapy, a radical new approach that will help you transform troubled, conflicted relationships into successful, happy ones. Dr. Burns' method for improving these relationships is easy and surprisingly effective. In *Feeling Good Together*, you'll learn how to:

- Stop pointing fingers at everyone else and start looking at yourself.
- Pinpoint the exact cause of the problem with any person you're not getting along with.
- And solve virtually any kind of relationship conflict almost instantly.

Filled with helpful examples and brilliant, user-friendly tools such as the Relationship Satisfaction Test, the Relationship Journal, the Five Secrets of Effective Communication, the Intimacy Exercise, and more, *Feeling Good*

Together will help you enjoy far more loving and satisfying relationships with the people you care about. You deserve rewarding, intimate relationships. *Feeling Good Together* will show you how.

When Panic Attacks

The New, Drug-Free Anxiety Therapy That Can Change Your Life *Harmony*

The truth is that you can defeat your fears. With more than forty simple, effective

techniques, you'll learn how to overcome every conceivable kind of anxiety without medication. Are you plagued by fears, phobias, or panic attacks? Do you toss and turn at night with a knot in your stomach, worrying about your job, your family, work, your health, or relationships? Do you suffer from crippling shyness, obsessive doubts, or feelings of insecurity? What you may not realize is that these fears are almost never based on reality. When you're anxious, you're actually fooling yourself, telling yourself things that simply aren't true. See if you can recognize yourself in any of these distortions: All-or-Nothing Thinking: "My mind will go blank when I give my

presentation at work, and everyone will think I'm an idiot." Fortune Telling: "I just know I'll freeze up and blow it when I take my test." Mind Reading: "Everyone at this party can see how nervous I am." Magnification: "Flying is so dangerous. I think this plane is going to crash!" Should Statements: "I shouldn't be so anxious and insecure. Other people don't feel this way." Emotional Reasoning: "I feel like I'm on the verge of cracking up!" Self-Blame: "What's wrong with me? I'm such a loser!" Mental Filter: "Why can't I get anything done? My life seems like one long procrastination." Now imagine what it would feel like to live a life that's free of worries

and self-doubt; to go to sleep at night feeling peaceful and relaxed; to overcome your shyness and have fun with other people; to give dynamic presentations without worrying yourself sick ahead of time; to enjoy greater creativity, productivity and self-confidence. With these forty techniques, you'll be able to put the lie to the distorted thoughts that plague you and your fears will immediately disappear. Dr. Burns also shares the latest research on the drugs commonly prescribed for anxiety and depression and explains why they may sometimes do more harm than good. This is not pop psychology but proven, fast-acting techniques that have been shown to be more effective than

medications. When *Panic Attacks* is an indispensable handbook for anyone who's worried sick and sick of worrying.

Intimate Connections

The New and Clinically Tested Program for Overcoming Loneliness
Developed at the Presbyterian--University of Pennsylvania Medical Center
William Morrow

Focuses on problems of loneliness, shyness, and sexual insecurity, and outlines specific techniques, including self-assessment tests, for dealing with these problems and other inhibitions

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuri

ng all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when

- coworkers push their work on you—then take credit for it
- you accidentally trash-talk someone in an email then hit "reply all"
- you're being micromanaged—or not being managed at all
- you catch a colleague in a lie
- your boss seems unhappy with

your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get

Your Financial Life
Together

Glass Ceilings and Bottomless Pits

Women's Work, Women's Poverty

South End Press

'This extraordinarily lucid book demonstrates that women from all walks of life get the short end of the stick because of their gender. From welfare mothers to corporate executives, Albelda and Tilly show and why the powers-that-be benefit from scapegoating and marginalizing women.' Professor Mimi Abramowitz, author, *Regulating the Lives of Women* A cogent analysis of the economic and social realities for women in the United States, across class lines. In an

age when the right wing manipulates the dialogue around women's issues to separate middle- and upper-class women from their poorer sisters this book's facts, figures, and analysis provide a much needed antidote.

The Art and Technique of Pen Drawing *Courier Corporation*

Excellent reference describes line technique; drawing the figure, face, and hands; humorous illustration; pen drawing for advertisers; landscape and architectural illustration. Drawings by Dürer, Holbein, Doré, Rackham, Beardsley, Klinger, more. 161 figures.

and History

Whatcha Gonna Do With That Duck?

And Other Provocations, 2006-2012 *Penguin UK*

Made for dipping into again and again, *Whatcha Gonna Do with That Duck?* brings together the very best of Seth Godin's acclaimed blog and is a classic for fans both old and new. 'Getting your ducks in a row is a fine thing to do. But deciding what you are going to do with that duck is a far more important issue' Seth Godin is famous for bestselling books such as *Purple Cow* and cool entrepreneurial ventures such as *Squidoo* and the *Domino Project*. But to millions of loyal

readers, he's best known for the daily burst of insight he provides every morning, rain or shine, via Seth's Blog. Since he started blogging in the early 1990s, he has written more than two million words and shaped the way we think about marketing, leadership, careers, innovation, creativity, and more. Much of his writing is inspirational and some is incendiary. Collected here are six years of his best, most entertaining, and most poignant blog posts, plus a few bonus ebooks. From thoughts on how to treat your customers to telling stories and spreading ideas, Godin pushes us to think smarter, dream bigger, write better, and speak more honestly. Highlights

include: -A marketing lesson from the Apocalypse -No, everything is not going to be okay -Organized bravery -Choose your customers, choose your future -Paying attention to the attention economy -Bandits and philanthropists Godin writes to get under our skin. He wants us to stand up and do something remarkable, outside the standards of the industrial system that raised us. Seth Godin is the author of thirteen international bestsellers that have changed the way people think about marketing, the ways ideas spread, leadership and change including Permission Marketing, Purple Cow, All Marketers are Liars, The Dip and Tribes. He is the CEO of

Squidoo.com and a very popular lecturer. His blog, www.sethgodin.typepad.com, is the most influential business blog in the world, and consistently one of the 100 most popular blogs on any subject.

Think Good, Feel Good

A Cognitive Behavioural Therapy Workbook for Children and Young People *John Wiley & Sons*

Newly updated edition of the highly successful core text for using cognitive behaviour therapy with children and young people The previous edition of Think Good, Feel Good was an exciting, practical resource that pioneered the way mental health

professionals approached Cognitive Behaviour Therapy with children and young people. This new edition continues the work started by clinical psychologist Paul Stallard, and provides a range of flexible and highly appealing materials that can be used to structure and facilitate work with young people. In addition to covering the core elements used in CBT programmes, it incorporates ideas from the third wave CBT therapies of mindfulness, compassion focused therapy and acceptance and commitment therapy. It also includes a practical series of exercises and worksheets that introduce specific concepts and

techniques. Developed by the author and used extensively in clinical practice, Think Good, Feel Good, Second Edition: A CBT Workbook for Children and Young People starts by introducing readers to the origin, basic theory, and rationale behind CBT and explains how the workbook should be used. Chapters cover elements of CBT including identifying thinking traps; core beliefs; controlling feelings; changing behaviour; and more. Written by an experienced professional with all clinically tested material Fully updated to reflect recent developments in clinical practice Wide range of downloadable materials Includes ideas for third wave

CBT, Mindfulness, Compassion Focused Therapy and Acceptance and Commitment Therapy Think Good, Feel Good, Second Edition: A CBT Workbook for Children and Young People is a "must have" resource for clinical psychologists, child and adolescent psychiatrists, community psychiatric nurses, educational psychologists, and occupational therapists. It is also a valuable resource for those who work with young people including social workers, school nurses, practice counsellors, teachers and health visitors.

The Female Brain *Harmony*

Since Dr. Brizendine wrote *The Female Brain* ten years ago,

the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that

men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology,

and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

What Good Condition?

**Reflections on an
Australian
Aboriginal Treaty
1986-2006** *ANU E
Press*

"What Good Condition? collects edited papers, initially delivered at the Treaty Advancing Reconciliation conference, on the proposal for a treaty between Aboriginal and non-Aboriginal Australians, a proposal which has been discussed and dissected for nearly 30 years. Featuring contributions from prominent Aboriginal community leaders, legal experts and academics, this capacious work provides an overview of the context and legacy of the residue of treaty proposals and negotiations in past decades; a consideration of the

implications of treaty in an Indigenous, national and international context; and, finally, some reflections on regional aspirations and achievements."-- Publisher's description.

The Art of Happiness

**A Handbook for
Living**

Through conversations, stories, and meditations, the Dalai Lama shows us how to defeat day-to-day anxiety, insecurity, anger, and discouragement. Together with Dr. Howard Cutler, he explores many facets of everyday life, including relationships, loss, and the pursuit of wealth, to illustrate how to ride through life's obstacles on a deep and abiding source of inner peace.

Based on 2,500 years of Buddhist meditations mixed with a healthy dose of common sense, *THE ART OF HAPPINESS* is a book that crosses the boundaries of traditions to help readers with difficulties common to all human beings. After being in print for ten years, this book has touched countless lives and uplifted spirits around the world.

English as a Global Language *Cambridge University Press*

David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most

'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

Ellen Rosenberg's Growing Up Feeling Good

Examines the physical and psychological changes that come with maturity and explores the choices and responsibilities

that each person faces as he or she grows up.

Dune (Movie Tie-In)

Penguin

Follows the adventures of Paul Atreides, the son of a betrayed duke given up for dead on a treacherous desert planet and adopted by its fierce, nomadic people, who help him unravel his most unexpected destiny.

Dante and Giovanni Del Virgilio

Including a Critical Edition of the Text of Dante's "Eclogae Latinae" and of the Poetic Remains of Giovanni Del Virgilio

Community Public Health in Policy and Practice E-Book

A Sourcebook
Elsevier Health

Sciences

Designed for public health nurses and health visitors at every stage of their career from students to experienced practitioners
Community Public Health in Policy and Practice: A Source Book provides an overview of theoretical constructs and principles for community public health practice, including underpinning research. Written by leading experts the book is designed to support innovation and practice development, including dealing with major policy changes and changes to theory and the evidence base. For this edition the text has been completely reorganised and updated including eight brand new

chapters. New chapters include current information and research about contemporary topics such as digital health, economics and implementation science. Updated chapters focus upon relevant knowledge required for current practice, including both seminal theories and research, along with new international frameworks. Brief introduction to the long-lasting impacts of Covid-19, as the pandemic unfolds.

Time-managed Group Psychotherapy

Effective Clinical Applications

*American Psychiatric
Pub*

The book provides new and experienced

clinicians with generic models for the development of efficient and effective interactive groups able to deliver a wide variety of treatment options. It offers a comprehensive examination of the potential of group psychotherapy and an appreciation of time management in its utilization.

A Comprehensive Guide to Exchange- Traded Funds (ETFs)

*CFA Institute Research
Foundation*

Exchange-traded funds (ETFs) have become in their 25-year history one of the fastest growing segments of the investment management business. These funds provide liquid access to virtually every financial market and allow large

and small investors to build institutional-caliber portfolios. Yet, their management fees are significantly lower than those typical of mutual funds. High levels of transparency in ETFs for holdings and investment strategy help investors evaluate an ETF's potential returns and risks. This book covers the evolution of ETFs as products and in their uses in investment strategies. It details how ETFs work, their unique investment and trading features, their regulatory structure, how they are used in tactical and strategic portfolio management in a broad range of asset classes, and how to evaluate them individually.

A Mans Workbook

A Program for Treating Addiction

John Wiley & Sons

In this new version of the classic group recovery training package, Stephanie Covington, Dan Griffin, and Rick Dauer include important new evidence-based data and new proven techniques for this unique and exclusive program, as well as new ways to treat trauma and substance abuse, new principles for gender responsive strategies with male offenders, and a new module on sexuality and men's recovery. A Man's Workbook is tied seamlessly to the facilitator's guide. It contains exercises for use in group sessions, summaries of information presented from the facilitator's guide, and reflection

questions and activities for use after group sessions.

Self-Esteem

A Proven Program of Cognitive Techniques for Assessing, Improving, and Maintaining Your Self-Esteem

New Harbinger Publications

If you struggle with low self-esteem, or you're seeking positive and effective ways of building a healthy sense of self-worth, this much-anticipated fourth edition of the best-selling classic by Matthew McKay is your go-to guide. This fully revised edition features an innovative application of acceptance and commitment therapy (ACT) to self-esteem, and utilizes updated

cognitive behavioral therapy (CBT) to help you create positive change and thrive. Circumstances and status can affect self-esteem—many factors can contribute to the way we see ourselves—but the one contributing factor that all people who struggle with low self-esteem have in common is our thoughts. Of course we all have a better chance of feeling good about ourselves when things are going well, but it's really our interpretation of our circumstances that can cause trouble, regardless of what they are. This revised and updated fourth edition of the best-selling *Self-Esteem* uses proven-effective methods of CBT and relevant components of ACT to help you raise low self-

esteem by working on the way you interpret your life. You'll learn how to differentiate between healthy and unhealthy self-esteem, how to uncover and analyze negative self-statements, and how to create new, more objective and positive self-statements to support your self-esteem rather than undermine it. And with cutting-edge material on defusion and values, you'll learn to let go of judgmental, self-attacking thoughts and act in accordance with what matters to you most, enhancing your sense of self-worth. If you struggle with low or unhealthy self-esteem, this new edition of *Self-Esteem*, packed with evidence-based tips and techniques, has everything you need to

improve the way you see yourself for better overall well-being.

The Feeling Good Handbook

The Magic of Viral Energy

An Ancient Key to Happiness, Empowerment, and Purpose *Morgan James Publishing*

Want to find "your person," improve your wellbeing, and be successful at your passions? *The Magic of Viral Energy (MOVE)* offers a fun and compelling narrative told through true short stories. Its message is for seekers—those intrepids who want to squeeze the lemons of life and discover their full potential. While meditating in 2007, Penelope Jean Hayes

experienced the contagious nature of energy and a phenomenon she calls “osmotic-energy-balancing.” Over the next decade, she intuited a system of creation involving seven levels of energy ascending from dense and heavy upward to enlightenment. She shares that each of us has an energetic-presence that flows within one of these levels and that we only have access to the energies that reside there. Except that, we have the ability to move to higher strata, accessing the light energies that create more of what we truly want. MOVE reveals provocative insights into the universe; our relationships; the energetic antidote to unhappiness and the

common cold; and our need to move from power-through-force to empowerment-through-creation. The Magic of Viral Energy is eye-opening and exciting and it makes day-to-day life easier and our big dreams possible. “The Magic of Viral Energy could not be timelier, in my opinion. MOVE helps us recognize and understand ourselves. Viral energy is food for our soul—that’s why it’s magical.” —Peter Egan, actor, *Downton Abbey*, *Unforgotten*, and *Ever Decreasing Circles*

Undoing Depression

What Therapy Doesn't Teach You and Medication Can't Give You *Little, Brown Spark*
The bestselling

approachable guide that has inspired thousands of readers to manage or overcome depression — fully revised and updated for life in the 21st century. Depression rates around the world have skyrocketed in the 20-plus years since Richard O'Connor first published his classic book on living with and overcoming depression. Nearly 40 million American adults suffer from the condition, which affects nearly every aspect of life, from relationships, to job performance, physical health, productivity, and, of course, overall happiness. And in an increasingly stressful and overwhelming world, it's more important than ever to understand the causes and effects of depression, and what we can do to overcome it. In this fully revised and updated edition — which includes updated information on the power of mindfulness, the relationship between depression and other diseases, the risks and side effects of medication, depression's effect on thinking, and the benefits of exercise — Dr. O'Connor explains that, like heart disease and other physical conditions, depression is fueled by complex and interrelated factors: genetic, biochemical, environmental. But Dr. O'Connor focuses on an additional factor that is often overlooked: our own habits. Unwittingly we get good at depression. We learn

how to hide it, and how to work around it. We may even achieve great things, but with constant struggle rather than satisfaction. Relying on these methods to make it through each day, we deprive ourselves of true recovery, of deep joy and healthy emotion. Undoing Depression teaches us how to replace depressive patterns with a new and more effective set of skills. We already know how to "do" depression—and we can learn how to undo it. With a truly holistic approach that synthesizes the best of the many schools of thought about this painful disease, and a critical eye toward medications, O'Connor offers new hope—and new life—for sufferers

of depression.

The Zones of Regulation

A Curriculum Designed to Foster Self-regulation and Emotional Control

"... a curriculum geared toward helping students gain skills in consciously regulating their actions, which in turn leads to increased control and problem solving abilities. Using a cognitive behavior approach, the curriculum's learning activities are designed to help students recognize when they are in different states

called "zones," with each of four zones represented by a different color. In the activities, students also learn how to use strategies or tools to stay in a zone or move from one to another. Students explore calming techniques, cognitive strategies, and sensory supports so they will have a toolbox of methods to use to move between zones. To deepen students' understanding of how to self-regulate, the lessons set out to teach students these skills: how to read others' facial expressions and recognize a broader range of emotions, perspective about how others see and react to their behavior, insight into events that trigger their less regulated

states, and when and how to use tools and problem solving skills. The curriculum's learning activities are presented in 18 lessons. To reinforce the concepts being taught, each lesson includes probing questions to discuss and instructions for one or more learning activities. Many lessons offer extension activities and ways to adapt the activity for individual student needs. The curriculum also includes worksheets, other handouts, and visuals to display and share. These can be photocopied from this book or printed from the accompanying CD."--Publisher's website.

The Relationship Cure

A 5 Step Guide to Strengthening Your Marriage, Family, and Friendships

Harmony

From the country's foremost relationship expert and New York Times bestselling author Dr. John M. Gottman comes a powerful, simple five-step program, based on twenty years of innovative research, for greatly improving all of the relationships in your life—with spouses and lovers, children, siblings, and even your colleagues at work. Gottman provides the tools you need to make your relationships thrive. In *The Relationship Cure*, Dr. Gottman: - Reveals the key elements of healthy relationships, emphasizing the importance of what he calls “emotional

connection” - Introduces the powerful new concept of the emotional “bid,” the fundamental unit of emotional connection - Provides remarkably empowering tools for improving the way you bid for emotional connection and how you respond to others' bids - And more! Packed with fascinating questionnaires and exercises developed in his therapy, *The Relationship Cure* offers a simple but profound program that will fundamentally transform the quality of all of the relationships in your life.

George John Pinwell
