In recent years, community policing as an agenda for policing reform has received a lot of global attention in a series of studies that stretch from organizational reforms to theories of modeling and implementation strategies. Community Policing: International Patterns and Comparative Perspectives, edited by Dominique Wisler

Community Policing: International Patterns and Comparative ...

Community-oriented policing (COP) is the ideology and policy model espoused in the mission statements of nearly all policing forces throughout the world. However, the COP philosophy is interpreted differently by different countries and police forces, resulting in practices that may in fact run far afield of the community-based themes of partnership.

Advances in Police Theory and Practice: Community Policing ...

Abstract. This paper studies the nature of the relation between police integrity and community policing, an issue unexplored by prior studies. A sample of 871 South African police officers participated in a police integrity survey that evaluated perspectives on the seriousness of various forms of police misconduct, assessed whether misconduct violates official rules, and inquired about their ...
