The "rain smell" is caused by a chemical in the bacteria called geosin, which is released by the bacteria as they die. Geosin is a type of alcohol molecule and has a very strong scent. The bacteria are extremely common and can be found in areas all over the world, which accounts

for the universality of this sweet "after-the-rain" smell.

The only good thing about a forecast of a straight week of rain is that sometimes the forecast is wrong. A few days of gray is fine, cozying up to a warm fire, hot soup, and movies on a fluffy couch. Today as the rain poured down I had the interesting experience of losing a 3-hour game of chess to my 10 year old son, and honestly I couldn't

think of a better way to spend the day.

After gathering more information, I came to realize that she was innocent and not deserving of the consequence. Although I know I will make many more mistakes as a mom, this blunder has broken my heart as I replay the scene in my mind over and over, remembering those blue, tear-filled eyes looking up at me.

After the Rain

After the rain I started writing this post after a couple of days of whopping thunderstorms - but despite the post title, it doesn't seem to have stopped raining since! The dog and I had a very wet walk this morning (it was lovely - no one around, birds singing, dog paddling in the streams, rain bouncing on my jacket,

just like old times!) and ...

Unless it rained for days, the grass after rain is usually no worse than a heavy dew that you get early in the mornings. Unless it

rained a full day or two, or your lawn is full of wet leaves and is not clean, it's completely safe to mow after only a few hours, especially in the summer during sunny days.

How Long Should You Wait to Mow the Grass After It Rains?

Taking in the smell after the rain. The rain. Hold me close, then push me away. Fully exposed in so many ways. You would choose your independence any day. So listen to what I came here to say. It's my choice, my life. It's my will, my sacrifice. It's my body, my right.

After the Rain is a very

sweet followup to one of my favorite books, When it Rains, and it certainly didn't disappoint. Picking right up from the angsty ending of the first book in this series.

Although there weren't as many tears shed in this book as I shed while reading When it Rains, my eyes did well up with references to and the remembrances of Asher.
