The Mind Readers - Wikipedia

The Mind Readers is a fast-paced, entertaining read with a likable heroine in Cameron Winters, who knows the most intimate and frightening secrets of those around her. The book moves along at a brisk pace with a plot concerning a murder mystery, a training facility for kids with supernatural powers, and the investigative society who is out to stop them.

The Mind Readers (Mind Readers, #1) by Lori Brighton

At the beginning you get to know Cameron, who is a mind reader, and who tells her story. Her mother, who was freaked out by her abilities, dropped her off at her grandmother's place (who's also a mind reader) when she was 5. They move every few years, as the grandmother is worried about anyone finding out about Cam's ability.

Hypnotic mind reading techniques can be used in hypnosis to help you understand someone’s personality in minutes. This is useful when working with a resistant client or subject and you want to bypass their critical thinking mind. Once you’ve done this, you can then use hypnosis for whatever issue you’re trying to help them resolve.
