A Long Walk to Water

Based on a True Story *Houghton Mifflin Harcourt*

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

A Long Walk To Water

Based on a True Story *HarperCollins*

The New York Times bestseller *A Long Walk to Water* begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the "lost boys" of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions

and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.

Nya's Long Walk

A Step at a Time *Clarion Books*

When her little sister, Akeer, becomes sick when they are returning home from the water hole, Nya must carry her and the water back to their village, one step at a time.

Prairie Lotus *Clarion Books*

In this compelling, emotionally engaging novel set in 1880, a half-Chinese girl and her white father try to make a home in Dakota Territory, in the face of racism and resistance.

Tap Dancing on the

Roof**Sijo (Poems)***Houghton**Mifflin**Harcourt*

A sijo, a traditional Korean verse form, has a fixed number of stressed syllables and a humorous or ironic twist at the end. Like haiku, sijo are brief and accessible, and the witty last line winds up each poem with a surprise. The verses in this book illuminate funny, unexpected, amazing aspects of the everyday--of breakfast, thunder and lightning, houseplants, tennis, freshly laundered socks. Carefully crafted and deceptively simple, Linda Sue Park's sijo are a pleasure to read and an irresistible invitation to experiment with an unfamiliar poetic form. Istvan Banyai's

irrepressibly giddy and sophisticated illustrations add a one-of-a-kind luster to a book that is truly a gem.

Across Five Aprils*Penguin*

The Newbery Award-winning author of *Up a Road Slowly* presents the unforgettable story of Jethro Creighton—a brave boy who comes of age during the turbulent years of the Civil War. In 1861, America is on the cusp of war, and young Jethro Creighton is just nine-years-old. His brother, Tom, and his cousin, Eb, are both of fighting age. As Jethro's family is pulled into the conflict between the North and the South, loyalties are divided, dreams are threatened, and their bonds are put to the

test in this heart-wrenching, coming of age story. "Drawing from family records and from stories told by her grandfather, the author has, in an uncommonly fine narrative, created living characters and vividly reconstructed a crucial period of history."—Booklist

Seesaw Girl *Houghton Mifflin Harcourt*

Impatient with the constraints put on her as an aristocratic girl living in Korea during the seventeenth century, twelve-year-old Jade Blossom determines to see beyond her small world.

Of Beetles and Angels

A Boy's Remarkable Journey from a

Refugee Camp to Harvard *Little, Brown Books for Young Readers*

Read the story that has inspired millions The desert, I remember. The shrieking hyenas, I remember....I

remember playing soccer with rocks, and a strange man telling me and my brother Tewolde that we had to go on a trip and Tewolde refusing to go. The man took out a piece of gum and Tewolde happily traded it for his homeland.... So begins the remarkable true story of a young boy's journey from civil war in east Africa to a refugee camp in Sudan, to a childhood on welfare in an affluent American suburb, and eventually to a full-tuition scholarship at Harvard

University. Following his father's advice to "treat all people-even the most unsightly beetles-as though they were angels sent from heaven," Mawi overcomes the challenges of language barriers, cultural differences, racial prejudice, and financial disadvantage to build a fulfilling, successful life for himself in his new home. *Of Beetles and Angels* is at once a harrowing survival story and a compelling examination of the refugee experience. With hundreds of thousands of copies sold since its initial publication, the unforgettable memoir continues to touch and inspire readers. This special fifteenth anniversary edition features bonus materials, including a

new introduction and afterword by the author. *please note the updated anniversary edition will be released in June. Orders placed before that edition is available will receive the current paperback*

A Single Shard *HarperCollins*

The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by

embarking on a difficult and dangerous journey, little knowing that it will change his life forever. "Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. . . . A timeless jewel."-Kirkus Reviews, Starred Review

Tenth of December

A&C Black

WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, *Tenth of December* illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recalls a backyard pole dressed for all occasions; Jeff faces

horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity.

Bound *Simon and Schuster*

YOUNG XING XING IS BOUND. Bound to her father's second wife and daughter after Xing Xing's father has passed away. Bound to a life of servitude as a young girl in ancient China, where the life of a woman is valued less than that of livestock. Bound to be alone and

unmarried, with no parents to arrange for a suitable husband. Dubbed "Lazy One" by her stepmother, Xing Xing spends her days taking care of her half sister, Wei Ping, who cannot walk because of her foot bindings, the painful but compulsory tradition for girls who are fit to be married. Even so, Xing Xing is content, for now, to practice her gift for poetry and calligraphy, to tend to the mysterious but beautiful carp in her garden, and to dream of a life unbound by the laws of family and society. But all of this is about to change as the time for the village's annual festival draws near, and Stepmother, who has spent nearly all of the family's money, grows desperate to find a

husband for Wei Ping. Xing Xing soon realizes that this greed and desperation may threaten not only her memories of the past, but also her dreams for the future. In this searing story, Donna Jo Napoli, acclaimed author of *Beast and Breath*, delves into the roots of the Cinderella myth and unearths a tale as powerful as it is familiar.

Lara's Gift *Yearling Books*

In 1914 Russia, Lara is being groomed by her father to be the next kennel steward for the Count's borzoi dogs, but her visions, although suppressed by her father, seem to suggest she has a special bond with the dogs.

The War of the

Worlds First Avenue Editions TM

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form

in 1898, and is considered a classic of English literature.

Mountains Beyond Mountains

The Quest of Dr. Paul Farmer, a Man Who Would Cure the World *Random House*

"[A] masterpiece . . . an astonishing book that will leave you questioning your own life and political views . . . Kidder opens a window into Farmer's soul, letting the reader peek in and see what truly makes the good doctor tick."—Nicholas Thomas, *USA Today* In medical school, Paul Farmer found his life's calling: to cure infectious diseases and to bring the lifesaving tools of modern medicine to those who need them most. Tracy Kidder's magnificent

account shows how one person can make a difference in solving global health problems through a clear-eyed understanding of the interaction of politics, wealth, social systems, and disease. Profound and powerful, *Mountains Beyond Mountains* takes us from Harvard to Haiti, Peru, Cuba, and Russia as Farmer changes people's minds through his dedication to the philosophy that "the only real nation is humanity." Praise for *Mountains Beyond Mountains* "A true-to-life fairy tale, one that inspires you to believe in happy endings . . . Its stark sense of reality comes as much from the grit between the pages as from the pure gold those pages spin."—Laura Claridge, *Boston Sunday Globe*

"Stunning . . . *Mountains Beyond Mountains* will move you, restore your faith in the ability of one person to make a difference in these increasingly maddening, dispiriting times."—John Wilkens, *The San Diego Union-Tribune* "Easily the most fascinating, most entertaining and, yes, most inspiring work of nonfiction I've read this year."—Charles Matthews, *San Jose Mercury News* "It'll fill you equally with wonder and hope."—Cathy Burke, *People* "In this excellent work, Pulitzer Prize-winner Kidder immerses himself in and beautifully explores the rich drama that exists in the life of Dr. Paul Farmer. . . . Throughout, Kidder

captures the almost saintly effect Farmer has on those whom he treats.”—Publisher’s Weekly (starred review) “[A] skilled and graceful exploration of the soul of an astonishing human being.”—Kirkus Reviews (starred review)

The Crow and the Pitcher

Forget the Alamo

The Rise and Fall of an American Myth *Penguin*

A New York Times bestseller! “Lively and absorbing. . .” — The New York Times Book Review “Engrossing.” —Wall Street Journal “Entertaining and well-researched . . .” —Houston Chronicle Three noted Texan writers combine forces to tell the real story of the Alamo, dispelling the myths, exploring why they had their day for so long, and explaining why the ugly fight about its meaning is now coming to a head. Every nation

needs its creation myth, and since Texas was a nation before it was a state, it's no surprise that its myths bite deep. There's no piece of history more important to Texans than the Battle of the Alamo, when Davy Crockett and a band of rebels went down in a blaze of glory fighting for independence from Mexico, losing the battle but setting Texas up to win the war. However, that version of events, as Forget the Alamo definitively shows, owes more to fantasy than reality. Just as the site of the Alamo was left in ruins for decades, its story was forgotten and twisted over time, with the contributions of Tejanos--Texans of Mexican origin, who fought alongside the Anglo rebels--scrubbed from the record, and the origin of the conflict over Mexico's push to abolish slavery papered over. Forget the Alamo provocatively explains the true story of the battle against the backdrop of Texas's struggle for independence, then shows how the sausage of myth got made in the Jim Crow South of the late nineteenth and early twentieth century. As uncomfortable as it may be to hear for some, celebrating the Alamo has long had an echo of celebrating whiteness. In the past forty-some years, waves of revisionists have come at this topic, and at times have made real progress toward a more nuanced and

inclusive story that doesn't alienate anyone. But we are not living in one of those times; the fight over the Alamo's meaning has become more pitched than ever in the past few years, even violent, as Texas's future begins to look more and more different from its past. It's the perfect time for a wise and generous-spirited book that shines the bright light of the truth into a place that's gotten awfully dark.

They Poured Fire on Us From the Sky

The True Story of Three Lost Boys from Sudan *PublicAffairs*

A stunning literary survival story of three young Sudanese boys, two brothers and a

cousin—hailed by the Los Angeles Times as a “moving, beautifully written account, by turns warm and tender.” Between 1987 and 1989, Alepho, Benjamin, and Benson, like tens of thousands of young boys, took flight from the massacres of Sudan's civil war. They became known as the Lost Boys. With little more than the clothes on their backs, sometimes not even that, they streamed out over Sudan in search of refuge. Their journey led them first to Ethiopia and then, driven back into Sudan, toward Kenya. They walked nearly one thousand miles, sustained only by the sheer will to live. They Poured Fire on Us from the Sky is the three boys' account of that

unimaginable journey. With the candor and the purity of their child's-eye-vision, Alephonsian, Benjamin, and Benson recall by turns: how they endured the hunger and strength-sapping illnesses—dysentery, malaria, and yellow fever; how they dodged the life-threatening predators—lions, snakes, crocodiles and soldiers alike—that dogged their footsteps; and how they grappled with a war that threatened continually to overwhelm them. Their story is a lyrical, captivating, timeless portrait of a childhood hurled into wartime and how they had the good fortune and belief in themselves to survive.

Auggie & Me: Three

Wonder Stories *Knopf Books for Young Readers*

Over 13 million people have read the #1 New York Times bestseller *Wonder* and have fallen in love with Auggie Pullman, an ordinary boy with an extraordinary face. And don't miss R.J. Palacio's highly anticipated new novel, *Pony*, available now! *Auggie & Me* gives readers a special look at Auggie's world through three new points of view. These stories are an extra peek at Auggie before he started at Beecher Prep and during his first year there. Readers get to see him through the eyes of Julian, the bully; Christopher, Auggie's oldest friend; and Charlotte, Auggie's new friend at school. Together, these three

stories are a treasure for readers who don't want to leave Auggie behind when they finish *Wonder*.

Not a Drop to Drink
Harper Collins

Fans of classic frontier survival stories, as well as readers of dystopian literature, will enjoy this futuristic story where water is worth more than gold. New York Times bestselling author Michael Grant says *Not a Drop to Drink* is a debut "not to be missed." With evocative, spare language and incredible drama, danger, and romance, Mindy McGinnis depicts one girl's journey in a frontierlike world not so different from our own. Teenage Lynn has been taught to defend her pond against every threat: drought, a

snowless winter, coyotes, and most important, people looking for a drink. She makes sure anyone who comes near the pond leaves thirsty—or doesn't leave at all. Confident in her own abilities, Lynn has no use for the world beyond the nearby fields and forest. But when strangers appear, the mysterious footprints by the pond, nighttime threats, and gunshots make it all too clear Lynn has exactly what they want, and they won't stop until they get it. . . . For more in this gritty world, join Lynn on an epic journey to find home in the companion novel, *In a Handful of Dust*.

World and Town
Vintage

Two years after

burying her husband and best friend, 68-year-old Hattie Kong moves to a small New England town where she is joined by a Cambodian family and reunited with an ex-lover before tackling challenges in the form of fundamentalist Christians and struggling family farms.

Slough House *Soho Crime*

In his best and most ambitious novel yet, Mick Herron, "the le Carré of the future" (BBC), offers an unsparing look at the corrupt web of media, global finance, spycraft, and politics that power our modern world. "This is a darker, scarier Herron. The gags are still there but the satire's more biting. The

privatization of a secret service op and the manipulation of news is relevant and horribly credible."--Ann Cleeves, author of the Vera Stanhope series At Slough House--MI5's London depository for demoted spies--Brexit has taken a toll. The "slow horses" have been pushed further into the cold, Slough House has been erased from official records, and its members are dying in unusual circumstances, at an unusual clip. No wonder Jackson Lamb's crew is feeling paranoid. But are they actually targets? With a new populist movement taking hold of London's streets and the old order ensuring that everything's for sale to the highest bidder, the world's a dangerous place for

those deemed surplus. Jackson Lamb and the slow horses are in a fight for their lives as they navigate dizzying layers of lies, power, and death.

Suddenly Willow's world is tragically changed when her parents both die in a car crash, leaving her alone in a baffling world. Her journey to find a fascinatingly diverse and fully believable surrogate family is a joy and a revelation to read.

Phil

**The Rip-Roaring
 (and Unauthorized!)
 Biography of Golf's
 Most Colorful
 Superstar** *Simon and Schuster*

A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has

led a big, controversial life—as reported by longtime *Sports Illustrated* writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can't tear himself away. Mickelson's career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger's laser focus and

discipline, leading Tida Woods to call her son's rival "the fat boy," among other put-downs. Yet as Tiger's career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson's massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim "Bones" Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield

as leverage against the PGA Tour. But Phil also celebrates Mickelson's random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson's most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

The Cage *Simon and Schuster*

From the German invasion of Poland in 1939 to the liberation of her concentration camp in 1945, the

author chronicles an adolescence shaped by the horrors of the Holocaust but strengthened by the force of her own will.

Rite of Passage

Harper Collins

"Johnny, you're leaving us tonight . . ." Fifteen-year-old Johnny Gibbs does, well in school, respects his teachers, and loves his family. Then suddenly, with a few short words, his idyllic life is shattered. He learns that the family he has loved all his life is not his own, but a foster family. And now he is being sent to live with someone else. Shocked by the news, Johnny does the only thing he can think of: he runs. Leaving his childhood behind forever, Johnny takes to the streets where he learns about living life--

the hard way. Richard Wright, internationally acclaimed author of *Black Boy* and *Native Son*, gives us a coming-of-age story as compelling today as when it was first written, over fifty years ago. 'Johnny Gibbs arrives home jubilantly one day with his straight 'A' report card to find his belongings packed and his mother and sister distraught. Devastated when they tell him that he is not their blood relative and that he is being sent to a new foster home, he runs away. His secure world quickly shatters into a nightmare of subways, dark alleys, theft and street warfare. . . . Striking characters, vivid dialogue, dramatic descriptions, and enduring themes introduce a new

generation of readers to Wright's powerful voice.'—SLJ. Notable 1995 Children's Trade Books in Social Studies (NCSS/CBC)

The Firekeeper's Son *Houghton Mifflin Harcourt*

In Korea in the early 1800s, news from the countryside reached the king by means of signal fires. On one mountaintop after another, a fire was lit when all was well. If the king did not see a fire, that meant trouble, and he would send out his army. Linda Sue Park's first picture book for Clarion is about Sang-hee, son of the village

firekeeper. When his father is unable to light the fire one night, young Sang-hee must take his place. Sang-hee knows how important it is for the fire to be lit-but he wishes that he could see soldiers . . . just once. Mountains, firelight and shadow, and Sunhee's struggle with a hard choice are rendered in radiant paintings, which tell their own story of a turning point in a child's life.

The Water Princess *Penguin*

Based on supermodel Georgie Badiel's childhood, a young girl dreams of bringing clean drinking water to her African village. With its wide sky and warm earth, Princess Gie Gie's kingdom is a beautiful land. But

clean drinking water is scarce in her small African village. And try as she might, Gie Gie cannot bring the water closer; she cannot make it run clearer. Every morning, she rises before the sun to make the long journey to the well. Instead of a crown, she wears a heavy pot on her head to collect the water. After the voyage home, after boiling the water to drink and clean with, Gie Gie thinks of the trip that tomorrow will bring. And she dreams. She dreams of a day when her village will have cool, crystal-clear water of its own. Inspired by the childhood of African-born model Georgie Badiel, acclaimed author Susan Verde and award-winning author/illustrator Peter

H. Reynolds have come together to tell this moving story. As a child in Burkina Faso, Georgie and the other girls in her village had to walk for miles each day to collect water. This vibrant, engaging picture book sheds light on this struggle that continues all over the world today, instilling hope for a future when all children will have access to clean drinking water.

Desiring God

Meditations of a Christian Hedonist *Multnomah*

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-

stirring celebration of the pleasures of knowing God."

A Long Walk to Water

When the Sudanese civil war reaches his village in 1985, eleven-year-old Salva becomes separated from his family and

must walk with other Dinka tribe members through southern Sudan, Ethiopia, and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan.
