His-Story on How the Word Came to Be *Xlibris Corporation*

Every faith in the world is based on fabrication. That is the definition of faith—acceptance of that which we imagine to be true, that which we cannot prove. Every religion describes God

through metaphor, allegory and exaggeration, from the Early Egyptians through modern Sunday school. Metaphors are a way to help our minds process the Unprocessable. The problems arise when we begin to believe literally in our own metaphors. Religious allegory has become a part of the fabric of reality. And living in that reality helps millions of people cope and be better people.

His Word Came by Grace

Gracie's view on God is simple. She approaches God with her child like faith. She believes and trusts in God's Word and to do all that He has promised. From that loving relationship, Gracie tells how much easier and rewarding life can be when we live from the Word of God. This

book is the third in a series that follows Gracie and her walk with God. Take the journey with Gracie as she follows the path God is leading her on. After all, it's not about the destination, it's the journey that's exciting.

The Word

With Christianity under attack in contemporary Western culture and the validity of the Bible repeatedly challenged, *The Word: The History of the Bible and How it Came to Us* offers a fresh and fascinating history of the Book of Books - which billions of believers through the ages have embraced as the Word of God. With the same compelling narrative writing and in-depth research that has earned him acclaim for his works on the Holocaust, the Civil War, the faith of America's founders, the Lewis and Clark Expedition, the American Revolution, and other historical topics, award-winning author and historian Rod Gragg now focuses on the history of the Bible. And he does so with the practiced craft of a historian and the respect of a believer who

adheres to the complete and absolute inspiration of Scripture. The Word provides a sweeping panorama of biblical revelation, preservation and transmission--and the background story of those who devoted their lives - and sometimes suffered death - to translate and transmit the Word of God. In the process, this highly readable narrative likewise follows the history of Christianity and unfolds its unforgettable story with a writing style aimed at the general reader and a level of scholarship that will appeal to history-lovers and serious students of the Bible. A truly unique history of the world's most popular book, *The Word* is perfectly suited "for such a time as this."

Unique Words of the King James Bible *Christian Faith Publishing, Inc.*

This book is the result of several years of study of the Apostle Paul's ministry in the Acts of the Apostles, his epistles to the local churches of Asia Minor, Rome, individuals (Timothy, Titus, and Philemon) indeed to the Body of Christ as a whole. Unique words of the King James Bible examine 199 words chosen by the KJB translators that quite often differentiate the ministry of Paul, the principle doctrines of access to God, adoption, dispensation, justification by faith, immortality, etc. The reader will find that many of our English words originated with William Tyndale, the first to translate the Word of God into the English language from the original Hebrew and Greek, words such as

immortal, readiness, and ungodliness within the scope of this work. The reader will learn that the KJB translators themselves brought new words into the English language that the previous translator and translations did not have, words such as addicted, fidelity, novice, and thirty other words. The reader will also discover that besides the prescribed previous Bibles, (the translators were to use Tyndale's, Coverdale's, Matthews, Great, Geneva and Bishop's), that they also used the Roman Catholic Rheims New Testament, as evidenced by words such as apprehend, emulation, and theatre, as well as nine others within the scope of this work. This work is designed to serve as a reference book for the student of the Bible, primarily as a theological source, and secondarily as a

historical reference of how some words came into the fabric of the English language we speak today.

The Blessings Of Sacrifice And The Joy Of Service *Xlibris Corporation*

The book "The Blessings of Sacrifice and the Joy of Service" focuses on two traits of the true disciple of the Lord Jesus Christ who came to the world, served and paid for the sins and redemption of mankind with His life. Jesus "... made Himself of no reputation, taking the form of a bondservant, and coming in the likeness of men..." (Philippians 2:7, NIV). He also, in His own words, "...came not to be served but to serve, and to give his

life as a ransom for many." (Matthew 20:28, NIV). Jesus is our perfect example and if Christians are going to be true witnesses of Jesus, they must experience the blessings of sacrifice and the joy of service.

Third Person Plural: The Threeness of God *Xulon Press*

To understand the Trinity one must think in terms of three dimensions of existence; dimensions that include eternity-past, earth time-present, and eternity-present/future. The reason is because God the Son is identified in all three dimensions by different terminology, e.g., God; the Word of God; the Son of God; Jesus of Nazareth and Melchizedek. When God the Son was in the Father (John 1:1), He was the Word

of God; when the Word of God came out of the Father to stand at the Father's side, He was identified as the Only begotten (Son) of God (John 1:2,18); when God the Word came to earth, he was clearly identified as the One and Only Son of God (John 3:16). Therefore, in eternity-past, when the Son of God created Heaven and the Universe, clearly, He was not the man Jesus of Nazareth; however, in sequential time events, when the Son of God left Heaven to inhabit a human body, He was identified as the God-man, Jesus of Nazareth, and later was identified with Melchizedek as the eternal Priest of God Most High (Heb.7). All three dimensions involve(ed) sequential events, so that the Son of God is clearly manifested in each dimension to indicate His

preexistent mission and work throughout eternity-past/present, present-time and eternity-future. (FIRST DIMENSION) (SECOND DIMENSION) (THIRD DIMENSION) ETERNITY-PAST - (Thru) - EARTH-TIME - (Into) - FUTURE-TIME (Generally unknown) (Knowable) (Somewhat knowable) Robert W. From this experience came his first book on that subject, titled "The Baby King Must Die!" Other books by the author are: "When God the Son Became

the Son of God" and "Demythologizing Jesus of Nazareth." Mr. Fuller states: "The purpose for the present book is to clearly identify God the Son, The Word of God, the Son of God, Melchizedek and Jesus of Nazareth as the same person who lived in three dimensions. The Gospel Messenger, #1

Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an

argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

The Interwoven Gospel Accounts of Matthew, Mark, Luke and John

The Interwoven Gospel Accounts of Matthew, Mark, Luke, and John is the author's attempt to tell in one telling the four accounts of the life and teachings of Jesus Christ while He walked on the earth. Every effort has been made to include, if possible, 'all' the words that were spoken by Jesus and that were used in describing the events surrounding His life as they were revealed in the four accounts. Jesus said, "Man shall not live on bread alone, but on every word that proceeds out of the mouth of God." The author believes that every word that was spoken by Jesus and that every word that was used to describe the events and teachings of His life were God-breathed, thus, inspired of

God. Therefore, the author believes that it is imperative that every statement or question or phrase or word that was used by the inspired authors of the four accounts, if possible, should also be used in this one telling in the Interwoven Gospel Accounts of Matthew, Mark, Luke, and John. It was the author's hope to remain as true as possible to the four sacred texts. All these words came from God; they all came out of His mouth! May God bless this work; and may God bless you as you read it! "These have been written that you may believe that Jesus is the Christ, the Son of God; and that believing you may have life in His name" (Jn.20:31).

The Cambridge Bible for Schools and Colleges

A Chaplains Book of Poems # 3 *Trafford Publishing*

This book of poems is my third edition. Writing poems is a newer gift to me from God. I wrote my first poem February 28, 2012. This new book actually exceeded even my expectations. My first book contained approximately 75 God-inspired poems. This latest book has approximately 150 God-inspired poems. It seemed daily that I would be inspired to write a poem or, sometimes, two or

three. Sometimes watching a church program on TV would suddenly give me this incredible inspiration to write. Each poem was a very special inspiration for that day. I never really had no knowledge of the subject or focus of the poem in advance. It was actually exciting to generate a poem as the words came to me supernaturally. It seemed that there was a poem for just about any problem or situation. Some of the poems, I admit, I really didn't want to write because they were so controversial. These poems are now read all over the world, and I receive emails daily from about forty countries. I thank God that this little ministry is now reaching thousands and proclaiming the truth of the gospel in poetry.

House Documents**Mercies of a Covenant God**
Createspace Independent Publishing Platform

God be merciful to me a sinner was the cry of John Warburton on discovering and realizing he ruined lost condition before God. He knew and felt the condemnation of God against him. He knew of no way but to mend his ways, repent to find mercy. He could think of no other way to save his soul but by mending his life, doing his duty and pleasing God. This book, "Mercies of a Covent God" tells the life story of John

Warburton, of his call by grace, and becoming a Particular Baptists ministry in England. This book is not dry or intellectual Calvinism but experiential Christian experience. Teaching the way of salvation as Gods way, Father, Son and Holy Spirit engaged in covenant to save not to propose salvation but call by grace. Faith alone in the person of the Lord Jesus Christ, his atoning blood, and imputed righteousness are clearly taught be blessings of grace. This is recommended read for Preterits as it is important, in order to have a correct understanding of Last things, we must have a correct view of first things, i.e. the beginnings to understand last things. The Soteriology of John Warburton, like all Particular Baptists in the, is Calvinistic, but not textbook Calvinism. It

is felt that a correct view of the way of salvation is important to understand eschatology, correctly and not in a dry textbook way. True religion is more than notion, Something must be known and felt. This book also contains short bibliographies of the hymn writers that are quoted in this book

Faith Towards God *Narrow Way Ministries*

Faith Toward God is the third volume in our foundational Bible College study manual series. It is the second foundational principle of the doctrine of Christ found in Hebrews 6:1-2. Jesus said in John 11:40, "Said I not unto thee that, if thou wouldest believe, thou shouldest see the glory of God?" These amazing words came from the lips of our Master.

In these words lie the principle that is the foundation of this manual. When we believe God's Word and act upon it, we shall receive what the promise proclaims. My heart's prayer is that this manual will help you to understand God's principle of faith and in understanding it, cause you to put your faith to work, that it might grow, and you may be blessed because of it. Once again, it seeks to cover all the foundational aspects of faith.

A Different Definition *WestBow Press*

Freedom is not something talked about extensively. Most often freedom is an aspect of our lives that is overlooked. Whether due to worries about how to pay rent, the overwhelming grind of going to work every day, or just being

way too busy, we forget that we have been granted the freedom to live life. Things like these are so easily forgotten with the way we define life. In turn, the way we live life defines our relationship with God. Our relationship with God should not be defined by how we feel. Nor should it be based on anything at all. God stands alone. He can't be defined. So instead of trying to define God, I challenge us to live by the definition of life God so freely gave to us. Love.

history and memory continue to shape our everyday lives. Beginning in his hometown of New Orleans, Clint Smith leads the reader on an unforgettable tour of monuments and landmarks—those that are honest about the past and those that are not—that offer an intergenerational story of how slavery has been central in shaping our nation's collective history, and ourselves. It is the story of the Monticello Plantation in Virginia, the estate where Thomas Jefferson wrote letters espousing the urgent need for liberty while enslaving more than four hundred people. It is the story of the Whitney Plantation, one of the only former plantations devoted to preserving the experience of the enslaved people whose lives and work sustained it. It is the story of Angola, a

former plantation-turned-maximum-security prison in Louisiana that is filled with Black men who work across the 18,000-acre land for virtually no pay. And it is the story of Blandford Cemetery, the final resting place of tens of thousands of Confederate soldiers. A deeply researched and transporting exploration of the legacy of slavery and its imprint on centuries of American history, *How the Word Is Passed* illustrates how some of our country's most essential stories are hidden in plain view—whether in places we might drive by on our way to work, holidays such as Juneteenth, or entire neighborhoods like downtown Manhattan, where the brutal history of the trade in enslaved men, women, and children has been deeply imprinted. Informed by scholarship and

brought to life by the story of people living today, Smith's debut work of nonfiction is a landmark of reflection and insight that offers a new understanding of the hopeful role that memory and history can play in making sense of our country and how it has come to be.

Miraculous Interventions VI

It was the saddest day of my life. For three years, I fought against finding this confirmation of a prophecy of a nuclear attack on American soil. I wanted nothing to do with it. But it came, with only a few months' notice, from people I had never met until that warm, summer day. I cried out to God, "What do you want me to do with this?!" And the word came down, "Prayer alone will not work this time. You have to do something. You have to tell someone." This is the story of my desperate search to find the right people to warn in time. Who would listen and believe - besides me - the prophecies of two elderly people, several states apart, who didn't know even each

other, but had the same prophecy given them by the Holy Spirit? As the word seeped out, more people came forward who had also been waiting for confirmation of the same word. This

time, the miraculous intervention I need, and pray for, is to help save the world and to prepare people in time. Time is very short!
