Apple releases a user guide that covers all models that can run the latest operating system every time a

major new version of iOS comes out. Apple produces other instructional materials, such as product and safety info and QuickStart user guides, for each model.

Identify which model you have below, and then download the user guide you need.

Where to Download iPhone Manuals for Every Model

Step 1, Turn on your iPhone if it isn't already on. To do so, hold down the Lock button until you see a white Apple icon appear on the iPhone's screen. Step 2, Charge your iPhone if necessary. The charger cable is a long, white cord with a small, flat, rectangular prong on one end and a larger rectangular block on the other end. If your

iPhone won't turn on, try plugging it into a wall socket for a few minutes before attempting to turn it on again. You'll see a port on the bottom of the ...
