The Immanent Divine: God, Creation, and the Human ...

What emerges is a new theology of God and human beings, with a richer and more radical conception of divine immanence, a reconceived divine transcendence, and a keener sense of how the dynamic and active Spirit at work in us anchors real hope and deep joy.

The Immanent Divine: God, Creation, and the Human ...

A belief in God's immanence holds that God is present in all of creation, while remaining distinct from it. In other words, there is no place where God is not. His sovereign control extends everywhere simultaneously. Pantheism and deism twist many people's view of how God relates to His creation. Pantheists believe that everything is God or is a part of God, making Him equal with His creation and unable to act upon it.

What is the immanence of God? | GotQuestions.org

Divine transcendence and immanence are the related Christian doctrines that speak of God's authority and control over his creation and people as king. God's transcendence is seen in that he is exalted in his royal dignity and exercises both control and authority in his creation. Divine transcendence does not mean that he is so far from and other than his creation that we are not able to understand his self-revelation in the Scripture or relate to him in any way. Divine immanence is the ...

The doctrine or theory of immanence holds that the divine encompasses or is manifested in the material world. It is held by some philosophical and metaphysical theories of divine presence. Immanence is usually applied in monotheistic, pantheistic, pandeistic, or panentheistic faiths to suggest that the spiritual world permeates the mundane. It is often contrasted with theories of transcendence, in which the divine is seen to be outside the material world. Major faiths commonly devote significant

Immanence - Wikipedia

Immanence of God The literal meaning of the immanence of God is "to be within" or "near" in relation to God's creation. Immanence is closely related to God's omnipresence, in that God is always present within the universe, though distinct from it. God is 'within' the universe in that God is its sustaining cause.
