Representative bodies for higher education institutions There are two recognised representative bodies for higher education institutions (HEIs) in the UK.

Types of Higher Education Institutions | Eurydice

Institutions, according to Samuel P. Huntington, are "stable, valued, recurring patterns of behavior". Further, institutions can refer to mechanisms which govern the behavior of a set of individuals within a given community; moreover, institutions are identified with a social purpose, transcending individuals and intentions by mediating the rules that govern living behavior. According to Geoffrey M. Hodgson, it is misleading to say that an institution is a form of behavior. Instead, Hodgson stat

Institution - Wikipedia

institutions. Patterns of behavior which become established over the course of time. Sometimes used to refer to large organizations that have established codes of behavior. It can also refer to important social entities such as the state, the church, the family, and the law, which operate along set patterns of behavior.
