This African country is an absolute winner when it comes to unusual and interesting coin designs. The 2008 series of 1 dollar silver-plated coins have the most amazing shape ever. When you think of a coin, you picture a small flat round piece of metal. But that's not what the Central Bank of Somalia had in mind.

The coolest rare coins from around the world

This 1927 Florin was issued by Australia to show off their new Parliament Building in Canberra. It was their first commemorative coin, but then again, they had only been issuing coins since 1910. You have the crowned bust of King George V on one side and the new Parliament Building on the other side. They issued quite a lot of these coins and they are almost common in Fine and Very Fine condition, but in the higher grades they are quite tough to find.
