Keeping an avocado pit in guacamole will prevent it from turning brown. Brown avocado is fine to eat, but it's definitely less appetizing. Unfortunately, two of the most popular hacks to avoid browning—storing it with the pit in it or using a squirt of lime—don't work, says Silvia Martinez, a Mexican food chef and founder of Mama Latina Tips.

Just the Tips

In the dynamics of heterosexual relations human males are often confronted by human females reluctant to engage in coitus. In such situations a human male may initiate a game called "Just the tip", which represents a suggested compromise in the age old battle of the sexes. In a typical game of "Just the tip" it will be verbally agreed that the male may penetrate his partner's vagina, but with ...
