We define interpretive planning, underscoring the importance of integrating visitor perspectives and input into that planning as well as the need to be systematic and logical in decision making as it relates to visitor experiences in and with museums. We advocate critical thinking, deliberation, and collaboration.

INTERPRETIVE

PLANNING FOR MUSEUMS

Interpretive plan. An Interpretive Plan is a detailed document that focuses on a particular project of interpretive work. It can be used in various areas of work, for example: detailing the interpretive content of a single exhibition; guiding a museum-wide re-interpretation of displays; co-ordinating the interpretive work of members of a regional museums forum. Your interpretive plan should be a detailed document, which clearly outlines how your interpretation will take shape.
