Debt-trap diplomacy is carried out in bilateral relations, with a powerful lending country seeking to saddle a borrowing nation with enormous debt so as to increase its leverage over it. Authored by Brahma Chellaney in early 2017, the concept of debt-trap diplomacy has grown into "something approaching conventional wisdom." The term has been widely used in recent years, including by world leaders. For example, US Vice President Mike Pence, in a famous 2018 speech, referred to the imperative to p
