 Book Review: Art- A Visual History by Robert Cumming

History Of The Art Of

The history of art is often told as a chronology of masterpieces created during each civilization. It can thus be framed as a story of high culture, epitomized by the Wonders of the World. On the other hand, vernacular art expressions can also be integrated into art historical narratives, referred to as folk arts or craft.

History of art - Wikipedia

Art history, also called art historiography, historical study of the visual arts, being concerned with identifying, classifying, describing, evaluating, interpreting, and understanding the art products and historic development of the

fields of painting, sculpture, architecture, the decorative arts, drawing, printmaking, photography, interior design, etc.

Art history | visual arts | Britannica

Art history is the study of aesthetic objects and visual expression in historical and stylistic context. Traditionally, the discipline of art history emphasized painting, drawing, sculpture, architecture, ceramics, and decorative arts, yet today, art history examines broader aspects of visual culture, including the various visual and conceptual outcomes related to an ever-evolving definition ...

Art history - Wikipedia

Art history Clare

Haynes. Art history is the historical discipline that deals largely, but not exclusively, with material objects.

Traditionally, this has meant paintings, sculptures and buildings. Its work is centred on charting the history of the making of those objects across time and space, and, put loosely, doing history with them.

Art History - Articles - Making History

Alex Potts. A history of the visual arts, defined simply as a chronological description of the various objects we now classify as art, would be a pretty marginal affair, probably of less general interest than a history of machinery, or a history of clothing. It would certainly be a history that remained

on the fringes of what most people recognise as the central concerns of life.

What is the History of Art? | History Today

The history of art has been written and rewritten since classical antiquity. Since the foundation of the modern discipline of art history in Germany in the late eighteenth century, debates about art and its histories have intensified.
