Connection and connectedness can mean a variety of things to different people. For some, a connected team means that all team members are on the same page technologically, each taking advantage of the latest collaboration software to get work done.

Why connection in the workplace matters - Jostle

When we connect with others, we are no longer thinking about what went wrong in the past or of our future worries. We are just fully available to the present moment and to the shared experience we are having with another. 2. You are being yourself. Human connection only works if there is honesty. It doesn't work if we are trying to be something we aren't.

Connect - definition of connect by The Free Dictionary

A connected car is a car that can communicate bidirectionally with other systems outside of the car. This allows the car to share internet access, and hence data, with other devices both inside and outside the vehicle. For safety-critical applications, it is anticipated that cars will also be connected using dedicated short-range communications radios, operating in the FCC-granted 5.9 GHz band with very low latency. Both the U.S. and EU scenarios concentrate on 5.9 GHz communications, however, t
