The Interplay Between Competition Law, GDPR and Consumer Law 28 January 2020. The rise of the digital economy has generated difficulties for enforcers in identifying the regulatory path which should be followed in cases such as those related to unfair terms imposed to online users.

PeliPartners is a genuine business law powerhouse in Romania.

Conclusion Competition law acts against the abusive monopoly rights whereas IPR rewards the inventor by providing him with a monopoly right for a limited period of time. IPR goes against the principle of competition law to enhance market conditions by more choices. However, Competition laws can play an active role in checking the abuse of rights granted by IPR. These two laws are neither conflicting nor competing in nature but they are complementary to

each other.

Intellectual Property Law and Competition Laws Interplay

The increased criminal nature of national competition law regimes will equally foster human rights-based actions against national competition authorities. At present, Austrian, French, German, Greek, Irish, Italian and UK competition law expressly provide imprisonment as a possible sanction for competition law violations.
