Starcraft 2 demo. It's god damn epic. Go download it now (or if you have the game, stop reading this and go play). I really love the thrill of the attack, controlling your marines up into the fight and sieging your siege tanks in the back, just shelling the enemy. oh so fun. If you haven't tried the demo and would like to, go to this link. I really recommend this demo/game. [https://us.battle ...](https://us.battle...)
