To dehumanize, therefore, is nothing more or less than a refusal to acknowledge the human essence of others, despite their obvious human form. To dehumanize people is always to demote them in a presupposed natural hierarchy. As Smith convincingly illustrates, the dynamic, even chaotic, vision of the natural world produced by the nineteenth-century Darwinian revolution has failed to loosen our intellectual attachment to the Great Chain of Being—a conception of nature as a stable and ...

We are all potential dehumanizers, just as we are all potential objects of dehumanization. The problem of dehumanization is everyone's problem. Less Than Human is the first book to illuminate precisely how and why we sometimes think of others as subhuman creatures. It draws on a rich mix of history, evolutionary psychology, biology, anthropology, and philosophy to document the pervasiveness of dehumanization, describe its forms, and explain why we so often resort to it.
