John Green (English Edition) *CreateSpace*

The Fault in Our Stars is a novel by author John Green. The story follows the main character, Hazel Grace Lancaster, as she battles cancer. Not only is Hazel trying to live the normal life of a 16-year-old girl, but she is also struggling with what it will be like for her parents after she dies. While Hazel attends a church support group for cancer survivors, she meets a boy that is one year older than her, Augustus Waters. While Augustus had a type of cancer that causes him to lose his

leg and wear a prosthetic, it also has a survival rate that is much higher than Hazel's death sentence. From the first day that Hazel meets Augustus, the two are practically inseparable. The basis of their relationship ends up being Hazel's favorite book, An Imperial Affliction. She requires Augustus to read it and in turn, he requires her to read the book that is the basis of his favorite video game. Hazel relates to the character in her favorite book, Anna, because Anna has a rare blood cancer. Augustus and Hazel bond over the book because both of them of a burning desire to find out how the story ends because the author stops the book before providing

conclusion on what happens to each of the characters. Augustus joins Hazel's pursuit of the book's author, Peter Van Houten, to provide the answers that they need. Augustus even uses a wish foundation to fly him and Hazel to Amsterdam, where the author lives, to talk with him in person. While Hazel is the one that is doomed to die, Augustus ends up telling Hazel that at his recent scan, the doctors discovered that his entire body is filled with cancer. Hazel spends the last months of Augustus's life caring for him and loving him.

The Disreputable History of Frankie Landau-Banks *Little, Brown Books for Young Readers*

The hilarious and razor-

sharp story of how one girl went from geek to patriarchy-smashing criminal mastermind in two short years, from the #1 New York Times bestselling author of *We Were Liars* and *Genuine Fraud*. Frankie Landau-Banks at age 14: Debate Club. Her father's "bunny rabbit." A mildly geeky girl attending a highly competitive boarding school. Frankie Landau-Banks at age 15: A knockout figure. A sharp tongue. A chip on her shoulder. And a gorgeous new senior boyfriend: the supremely goofy, word-obsessed Matthew Livingston. Frankie Landau-Banks. No longer the kind of girl to take "no" for an answer. Especially when "no" means she's excluded from her boyfriend's all-male

secret society. Not when her ex-boyfriend shows up in the strangest of places. Not when she knows she's smarter than any of them. When she knows Matthew's lying to her. And when there are so many, many pranks to be done. Frankie Landau-Banks, at age 16: Possibly a criminal mastermind. This is the story of how she got that way. * National Book Award finalist ** Printz Honor * --

As I was approaching the mall exit, this cute little girl with barretted braids appeared in front of me and said, "What's that in your nose?" "They're called cannula," I said. "These tubes give me oxygen, which helps me breathe." "Would they help me breathe, too?" she asked. "I dunno, wanna try?" "Nah," she replied, "I don't wanna look like a weirdo." "Wanna know a secret?" I asked. "Yeah!" I licked my finger and rubbed it on her arm. "I just gave you cancer," I whispered. ***You've read the book. You've seen the movie. Now read the parody! THE FAULT IN OUR PANTS is the hilarious new full-length parody of "The

The Butterfly Clues (EBK) *Egmont USA*

"Fascinating. Ellison has the art of page-turning down flat, and

readers will be swept up by both the terror—and the romance." —Booklist, Starred Review "This book casts a spell over its readers." —SLJ, Starred Review "An engaging mystery starring a teen girl with obsessive-compulsive disorder. A pleasing mix of realism, tension, intrigue and romance." —Kirkus Reviews " . . . a strong, twisty thriller of a debut . . . [with] a complex and memorable heroine." —Publishers Weekly "Lo's relationship with the mysterious street boy who calls himself Flynt, layered on top of her almost supernatural loneliness and helpless compulsions, gives the novel an otherworldly quality." —VOYA "A debut worth picking up. Stark and

realistic.”—RTBooks
Penelope (Lo) Marin has always loved to collect beautiful things. Her dad's consulting job means she's grown up moving from one rundown city to the next, and she's learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place--possessions that allow her to feel at least some semblance of home. But in the year since her brother Oren's death, Lo's hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home

of a recently murdered girl known only as "Sapphire"--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can't get the murder out of her mind. As she attempts to piece together the mysterious "butterfly clues," with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined--a world, she'll ultimately discover, that could hold the key to her brother's tragic death.

Goodreads Choice Winner, Best Young Adult Fiction of 2019 In this #1 New York Times bestselling novel that's perfect for fans of John Green's *The Fault in Our Stars*, two teens fall in love with just one minor complication—they can't get within a few feet of each other without risking their lives. Can you love someone you can

never touch? Stella Grant likes to be in control—even though her totally out of control lungs have sent her in and out of the hospital most of her life. At this point, what Stella needs to control most is keeping herself away from anyone or anything that might pass along an infection and jeopardize the possibility of a lung transplant. Six feet apart. No exceptions. The only thing Will Newman wants to be in control of is getting out of this hospital. He couldn't care less about his treatments, or a fancy new clinical drug trial. Soon, he'll turn eighteen and then he'll be able to unplug all these machines and actually go see the world, not just its hospitals. Will's exactly what Stella needs to

stay away from. If he so much as breathes on Stella she could lose her spot on the transplant list. Either one of them could die. The only way to stay alive is to stay apart. But suddenly six feet doesn't feel like safety. It feels like punishment. What if they could steal back just a little bit of the space their broken lungs have stolen from them? Would five feet apart really be so dangerous if it stops their hearts from breaking too?

Owen, Frank, Audrey, and Jin-Ae have one thing in common: they all want to die. When they meet online after each attempts suicide and fails, the four teens make a deadly pact: they will escape together on a summer road trip to visit the graves of celebrity

suicides . . . and at their final destination, they will each end their lives. Infinite Jest *Back Bay Books*

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what

entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The*

Mortality in the novel "The Fault in Our Stars" by John Green.

An exploration of the theme with reference to the cancer patients Hazel Grace and Augustus Waters

GRIN Verlag

Essay from the year 2015 in the subject English Language and Literature Studies - Literature, , course: IB English, language: English, abstract: "The Fault In Our Stars" is a

tragic love story that deals with the sufferings and deaths of cancer patients. John Green borrows the title of the story from Shakespeare's "Julius Caesar", wherein Cassius says, "The fault dear Brutus is not in our stars but in ourselves that we are underlings." But contrary to what Cassius says, this story establishes the conundrum that we are helpless before our destiny. In Green's novel, Hazel and Augustus are lovers, not unlike "Antony and Cleopatra", and "Romeo and Juliet." But what separates them from the legendary lovers is the fact that they are born with cancer in their cells. Their story, although of great love and compassion, will

not be written in the pages of history.

100 Days of Sunlight

When 16-year-old poetry blogger Tessa Dickinson is involved in a car accident and loses her eyesight for 100 days, she feels like her whole world has been turned upside-down. Terrified that her vision might never return, Tessa feels like she has nothing left to be happy about. But when her grandparents place an ad in the local newspaper looking for a typist to help Tessa continue writing and blogging, an unlikely answer knocks at their door: Weston Ludovico, a boy her age with bright eyes, an optimistic smile...and no legs. Knowing how angry and afraid Tessa is feeling, Weston thinks he can help her.

But he has one condition -- no one can tell Tessa about his disability. And because she can't see him, she treats him with contempt: screaming at him to get out of her house and never come back. But for Weston, it's the most amazing feeling: to be treated like a normal person, not just a sob story. So he comes back. Again and again and again. Tessa spurns Weston's "obnoxious optimism", convinced that he has no idea what she's going through. But Weston knows exactly how she feels and reaches into her darkness to show her that there is more than one way to experience the world. As Tessa grows closer to Weston, she finds it harder and harder to imagine life without

him -- and Weston can't imagine life without her. But he still hasn't told her the truth, and when Tessa's sight returns he'll have to make the hardest decision of his life: vanish from Tessa's world...or overcome his fear of being seen. *100 Days of Sunlight* is a poignant and heartfelt novel by author Abbie Emmons. If you like sweet contemporary romance and strong family themes then you'll love this touching story of hope, healing, and getting back up when life knocks you down.
