The Lunar Chronicles are futuristic retellings of classic fairy tales. In Cinder, a teenage cyborg (half human, half machine) must deal with a wicked stepmother, start a rebellion against the evil Queen Levana, and decide how she feels about a handsome prince. As the series continues, Cinder forges alliances with Scarlet, a spaceship pilot who ...

Glitches is a short story about the first few weeks of Cinder's life with her newly adopted family. It's available to read for free online. It's a great little story and serves as a nice introduction to the world of the Lunar Chronicles. I liked meeting young Cinder, who is new both the family and her cybernetic parts, more Peony and Iko's origin.
