Quick Guide to report writing - Kendrick Sellers CJS/205 ...

A report is a formal, structured piece of writing that usually presents the findings of some research, an enquiry, or an information gathering process. Reports are often thought of as being mainly scientific and technical, but they can be produced in any subject area, for example, to give the results of a survey in the social sciences, or to describe a review of the literature in an arts

topic.

Report Writing - University of Hull

Report writing Reports are a very common genre of writing at university across many subjects, including the sciences, business and professional degrees, because they are an effective way of communicating information. Unlike essays, reports usually have a formal structure broken down into sections and sub-sections.
