We will cover basic information about Listening skills, Assertiveness, Emotional awareness, and Nonverbal communication. Why practice social/emotional skills?

4 Social/Emotional Skills You Can Easily Practice with Teens

Not every bad behaviour has to invite a consequence to teach an important lesson. Model responsibility. Responsibility isn’t about blame. It’s about response-ability – having the ability to respond. Taking responsibility for something means owning the ability to respond and to put things right. It’s done from a position of strength, not shame.

19 Practical, Powerful Ways to Build Social-Emotional ...

o Social media activity is seen by everyone in a user’s network (and sometimes the entire public), allowing people to re-post/share posts, causing the posts to be seen by even more people. Police can very easily become aware of posts involving criminal activity, and have used social media as evidence against youth in prosecutions.

Lesson Plan: A Student’s Guide to Using Social Media Safely

Above all, health literacy should be seen in relation to social responsibility and solidarity, and is needed from both people in need of information and services and the individuals who provide them and assure their accessibility for the general population. We declare no competing interests.
