The Subcultures Reader - Google Books

Subcultures as "groups of people that are in some way represented as non-normative and/or marginal through their particular interests and practices, through what way they are, what they do and where they do it" (1). Different subcultures deal with subcultural difference – well, differently- celebrating, or dreading difference.

The subcultures reader by Gelder, Ken

Subcultures represent noise (as opposed to sound): interference in the orderly sequence which leads from real events and phenomena to their representation in the media.
