Amazon.co.uk:Customer reviews: Monthend Accounting ...

Definition of Monthly Close. In accounting, monthly close is a series of steps and procedures that are followed so that a company's monthly financial statements are in compliance with the accrual method of accounting. Since a company's business activities are ongoing, accountants might state "we need to get a proper "cut-off" between the end-of-the-month transactions and those that belong in the following month.
