Federal courts have been paperless for quite a while now, as have many state courts. The reality of law-firm operations is that you will still have to deal with some amounts of paper. There will probably still be intake forms, checks to scan, as well as clients who prefer hard copies.

12 Steps to a Paperless Law Firm in 2020 | Law Ruler

There's a reason the e-book, The Paperless Law Office, is the most popular one my team has ever produced: Lawyers understand the criticality of ditching physical files, but a lot of times they get hung up how to start what seems like a herculean task. For those struggling with going paperless, let 2019 be different.

How to Go Paperless in 2019: A Month-by-Month Plan - Law ...

A paperless office is a work environment in which the use of paper is eliminated or greatly reduced. This is done by converting documents and other papers into digital form. Proponents claim that "going paperless" can save money, boost productivity, save space, make documentation and information sharing easier, keep personal information more secure, and help the environment.

How to Start and Run a Paperless Office

In addition to being cheaper and more secure, a paperless office is easier to manage than one that relies on physical files. These benefits are both relatively minor, and quite large. For example, law practices that rely on forms can benefit greatly from a paperless environment because those forms can be automated, pulling information from a central database to fill in the relevant forms.

The Paperless Law Office | Technology | Indianapolis ...

The right ways I've enumerated here, How to Achieve a Paperless Law Office. Let's explore the wrong ways to go paperless, to make sure you avoid them, and to explain just why they're the wrong way.
