The Electro-Motive Diesel Class 66 are Co-Co diesel locomotives built by EMD for the European heavy freight market. Designed for use in Great Britain as the Class 66, a development of the Class 59, they have been adapted and certified for use in other European countries. Outside Europe, 40 locomotives have been sold to Egyptian Railways for passenger operation. A number of locomotives built for Euro Cargo Rail in France with

roof-mounted air conditioning are classed Class 77. In Germany ECR unit
