Jeff Beachbum Berry (Author of Potions of the Caribbean)

This gem was unearthed by Jeff "Beachbum" Berry, in his book Potions of the Caribbean. It's attributed to Max Bilgray's Tropic Bar in the Ithsmian Canal Zone, a U.S. territory in Panama where the canal was built. Dwight Eisenhower, a junior officer stationed in the Canal Zone in 1922, often cashed his paychecks at the Tropic Bar, and we like to think that perhaps he might have sipped on a Derby Cocktail Tropicál one hot summer afternoon.
