Local Economy

Local Economy is a peer-reviewed journal operating as an interdisciplinary forum for the critical review of policy developments in the broad area of local economic development and urban regeneration. It seeks not only to publish analysis and critique but also to disseminate innovative practice.

Local Economy:
SAGE Journals

Local economy

definition: An economy is the system according to which the money, industry, and trade of a country... | Meaning, pronunciation, translations and examples

Local economy definition and meaning | Collins English ...

The reasoning is that buying local helps the environment (because transporting stuff from far away emits greenhouse gases), makes you and your neighbours better off (because money stays in the area and is invested in nearby things that you're all likely to use) or provides more jobs to locals (which some people think it's important to prioritise).

What is a local economy? –

Economy

local economy The just, fair, transparent, accessible and moderate economic system and range of economic activity in a local area of a country. Our local economy is being developed and is expanding and creating more employment which is what the local area requires. Submitted by MaryC on December 8, 2016

What does local economy mean? - definitions

The outcomes triangle gives an overview of how culture and sport contribute to better economic outcomes. This example suggests local outcomes at service, intermediate and overarching

strategic...

The economy | Local Government Association

Local Economic Development is an approach to economic development, of note in the developing world that, as its name implies, places importance on activities in and by cities, districts and regions. This involves added micro-economic measures at the local level to complement macro-economic measures at the national level. LED encompasses a range of disciplines including physical planning, economics and marketing, all with the goal of building up the economic capacity of a local area to improve it
