### **Nineteenth-Century ...**

"While both men and women suffer in poverty, gender discrimination means that women have far fewer resources to cope. They are likely to be the last to eat, the ones least likely to access healthcare, and routinely trapped in time-consuming, unpaid domestic tasks. They have more limited options to work or build businesses," the report stated.

### **The link between gender inequality and poverty**

A recent edition of this Journal (Volume 16, Part 2, April 1987) was devoted to a number of articles on the definition and measurement of poverty. Surprisingly, perhaps, this did not include any specific discussion of gender differences in the causes, extent and experience of poverty.

### **Gender and Poverty | Journal of Social Policy | Cambridge Core**

Women's poverty levels are at the centre of political discussions around the world as governments put into place deficit reduction plans. These discussions often fail to take account of the complex relationship between gender and poverty, argues Sylvia Chant, and a renewed focus on the time and labour that women invest in bearing the burden of dealing with poverty is now needed.
