The cities of eighteenth-century America were crucial for the coming of the American Revolution. This book focuses closely on political mobilization in colonial British America's five most populous cities, from 1740 to 1780. It particularly examines the Boston waterfront community, New York City taverns, Newport churches and congregations, the elite households of Charleston, and the gatherings outside the Philadelphia State House and State House Yard.

Rebels Rising: Cities and the American Revolution by ... Benjamin L. Carp explores in Rebels Rising: Cities and the American Revolution that urban life presented Americans with unique experiences and modes of political mobilization not readily found in the countryside. In colonial cities, residents of varying social classes and religious backgrounds lived in close proximity, rubbing elbows in bustling shipyards or trading barbs in raucous taverns, to take just a few examples.

Rebels Rising: Cities and the American Revolution by ... Rebels Rising Cities and the American Revolution Benjamin L. Carp. While port cities connected the American colonies economically, politically, and culturally to the British empire, urban colonists, Benjamin Carp argues, were among the first to slough off their British identity and unite as Americans.
