The most important factor of women's political citizenship, women's self-identification as political actors, is crucial in order for them to exercise their political citizenship rights. This paper offers a theoretical insight into the concept of citizenship, citizenship theories and women's citizenship as political agency.

Gender and Citizenship Models: Reflections from Feminist ...

The traditional focus on politics as the study of the machinery of government and electoral politics or on political elites and formal institutions rendered women and gender invisible in spite of their foundational importance for building the welfare state and for constructing postcolonial nations, for the conduct of

war and terrorism, and for maintaining social and economic privilege more generally.

Introduction: Gender and Politics: A Gendered World, a ...

A gender perspective on citizenship begins with an assertion of the rights of all women and men to equal treatment. This needs to be enshrined in constitutions, laws and legal processes. Applying equal standards to all citizens may be insufficient, however, if different groups of citizens face particular challenges and have distinct needs.

Gender and citizenship - GSDRC

Gender scholars have much to say about governing and governance but cast a wider net, as do many mainstream scholars as well. Politics, understood as "the authoritative allocation of value" (in David Easton's classic formulation) or as the working of systems of power and authority, has a much wider purview.
