 3.5 rules. Instead of Simple, Martial and
 Exotic, weapons are grouped together by

 (mainly exotic weapons) do not belong

to any weapon group and therefore are a weapon group of their own. Any feat that requires a specific weapon to apply the feat's benefit to (such as Improved Critical, Weapon Focus, or Weapon Specialization) can instead be applied to a weapon group.

Improvised weapons and double weapons cannot be targeted or be the result of this spell.
