What are the Requirements of Muster list as per SOLAS ...

A muster drill, sometimes referred to as a lifeboat drill or a boat drill, is an exercise that is conducted by the crew of a ship prior to embarking on a voyage. A muster drill prepares passengers for safe evacuation, in the event of an emergency on board the ship, and familiarizes the crew and the passengers with escape routes.

Muster drill - Wikipedia

The Muster List, in the a maritime world, is a list of the functions each member of a ship crew is required to perform in case of emergency. It is defined in the Chapter III - Part A of the SOLAS Convention. The Muster List must be written in both the language of country of the ship registration and at least also in English. In ships where the majority of the crew speaks a 3rd language, the Muster List should also be made available in that language.
