The inspiration for the major motion picture starring Brad Pitt and Cate Blanchett, plus eighteen other stories by the beloved author of The Great Gatsby In the title story of this collection by one of America’s greatest writers, a baby born in 1860 begins life as an old man and proceeds to age backward. F. Scott Fizgerald hinted at this kind of inversion when he called his era “a generation grown up to find all Gods dead, all wars fought, all faiths in man shaken.” Perhaps nowhere in American fiction has this “Lost Generation” been more vividly preserved than in Fitzgerald’s short fiction. Spanning the early twentieth-century American landscape, this original collection captures, with Fitzgerald’s signature blend of enchantment and disillusionment, America during the Jazz Age. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before The Great Gatsby, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of This Side of Paradise. Beyond World's Classics

As long ago as 1860 it was the proper thing to be born at home. At present, so I am told, the high gods of medicine have decreed that the first cries of the young shall be uttered upon the anesthetic air of a hospital, preferably a fashionable one. So young Mr. and Mrs. Roger Button were fifty years ahead of style when they decided, one day in the summer of 1860, that their first baby should be born in a hospital. Whether this anachronism had any bearing upon the astonishing history I am about to set down will never be known.I shall tell you what occurred, and let you judge for yourself.

The Confessions of Max Tivoli

A Novel *Farrar, Straus and Giroux*

Today Show Book Club Pick An extraordinarily haunting love story told in the voice of a man who appears to age backwards We are each the love of someone's life. So begins The Confessions of Max Tivoli, a heartbreaking love story with a narrator like no other. At his birth, Max's father declares him a "nisse," a creature of Danish myth, as his baby son has the external physical appearance of an old, dying creature. Max grows older like any child, but his physical age appears to go backward--on the outside a very old man, but inside still a fearful child. The story is told in three acts. First, young Max falls in love with a neighborhood girl, Alice, who ages as normally as any of us. Max, of course, does not; as a young man, he has an older man's body. But his curse is also his blessing: as he gets older, his body grows younger, so each successive time he finds his Alice, she does not recognize him. She takes him for a stranger, and Max is given another chance at love. Set against the historical backdrop of San Francisco at the turn of the twentieth century, Max's life and confessions question the very nature of time, of appearance and reality, and of love itself. A beautiful and daring feat of the imagination, Andrew Sean Greer's The Confessions of Max Tivoli reveals the world through the eyes of a "monster," a being who confounds the very certainties by which we live and in doing so embodies in extremis what it means to be human.

In 1860 Baltimore, Benjamin is born

with the physical appearance of a 70-year-old man, already capable of speech. His father Roger invites neighborhood boys to play with him and orders him to play with children's toys, but Benjamin obeys only to please his father. At five, Benjamin is sent to kindergarten but is quickly withdrawn after he repeatedly falls asleep during child activities. When Benjamin turns 12, the Button family realizes that he is aging backwards. At the age of 18, Benjamin enrolls in Yale College, but is sent home by officials, who think he is a 50-year-old lunatic. In 1880, when Benjamin is 20, his father gives him a control of Roger Button & Co. Wholesale Hardware. He meets the young Hildegarde Moncrief, a daughter of General Moncrief, and falls in love with her. Hildegarde mistakes Benjamin for a 50-year-old brother of Roger Button; she prefers older men and marries him six months later, but remains ignorant of his condition. Years later, Benjamin's business has been successful, but he is tired of Hildegarde because her beauty has faded and she nags him. Bored at home, he enlists in the Spanish-American War in 1898 and achieves great triumph in the military, rising to the rank of lieutenant colonel. He retires from the army to focus on his company, and receives a medal.
