Computer Networks ISE: A Systems Approach, Fourth Edition

Building on the theme of our original Computer Networks: A Systems Approach text book, we are writing a series of books that apply the systems lens to emerging topics (such as 5G, SDN, etc.). With thousands of factoids available on the web (especially when it comes to trending topics), the challenge is to distinguish between what's important and what's not; between what's superficial and what's lasting.
