Below you'll find 54 tips to improve your nonfiction writing. 1. Read Great Writers. Almost every article you'll ever read on how

to improve your writing will begin with the following advice: to be a better writer, read great writers. Good writing is simply not possible without reading.

54 Tips to Improve Your Nonfiction Writing

Read shorter pieces of writing at least two times, once to get the flavor and another time focusing on the details. If possible, make a copy of the poem or story, so that your initial musings don't have to be turned over the writer. Avoid reading the work for the first time immediately before the meeting.

Tips for an Effective Creative Writing Critique

1. Writing is reading.

The most obvious, and least sexy, tip is that to engage deeply with creative non-fiction you have to read as many books in this genre as you can. Of course every writer knows, or at least so I hope, that reading for writers is as important as the writing itself.
