ICM - Institute of Commercial Management

Business Management
& Administration. This
Program teaches about

all aspects of business,
and provides the skills
and knowledge needed
to ensure managerial
and administrative
efficiency in business,
and the competence to
operate profitability in
the modern industrial
and commercial
business world.
Success in business
today depends on
much more than just
the ability to produce
or sell products.

Business Management & Administration

Business
Administration
Administration forms
part of the
management of a
business. It is the
process of organising
people and processes
efficiently.
Management The term
management can be
widely interpreted with

many people in an organisation claiming to be in management roles.
