CISM Review Manual, 15th Edition For 50 years and counting, ISACA ® has been helping information systems governance, control, risk, security, audit/assurance and business and cybersecurity professionals, and enterprises succeed.

CISM Review Manual, 15th Edition - ISACA

Necessary for the CISM exam but a very dry read. Lots of relevant and useful content but it's not accessible. However I guess this is a review manual not a guidebook. Considering the price the print quality is pretty poor and you'll need to look after this book if it's going to survive very long.
