Everyday America: Cultural Landscape Studies after J. B ...

Cultural landscapes are landscapes that have been affected, influenced, or shaped by human involvement. A cultural landscape can be associated with a person or event. It can be thousands of acres or a tiny homestead. It can be a grand estate, industrial site, park, garden, cemetery, campus, and more. Collectively, cultural landscapes are works of art, narratives of culture, and expressions of regional identity.

A cultural landscape, as defined by the World Heritage Committee, is the "cultural properties [that] represent the combined works of nature and of man". "a landscape designed and created intentionally by man"; an "organically evolved landscape" which may be a "relict (or fossil) landscape" or a "continuing landscape"an "associative cultural landscape" which may be valued because of the ...

Cultural landscape - Wikipedia

Cultural landscapes -- cultivated terraces on lofty mountains, gardens, sacred places... -- testify to the creative genius, social development and the imaginative and spiritual vitality of humanity. They are part of our collective identity.

World Heritage Centre - Cultural Landscapes

This understanding crosses disciplines and reaches into areas of political ecology, sustainability studies, landscape architecture, and cultural studies. Landscape is employed in a variety of ways, sometimes to analyze macro-scale movements and global mobilities (Appadurai 1996) and other times in a more humanistic vein to understand the cultural meanings of particular places (Lippard 1998; Cosgrove and Daniels 1988).
