Common Core, pushed by President Barack Obama, was going to work. It wasn't like all the other liberal education plans. A new study by the Pioneer Institute reveals that, no, we were right all along. The study, released late last month, revealed there were huge drops in math and reading scores since

Common Core was fully enacted in 2013.

Eureka Math A Story of Ratios Eureka Math is based on the theory that mathematical knowledge is conveyed most clearly and effectively when it is taught in a sequence that follows the "story" of mathematics itself. In A Story of Functions, our high school curriculum, this sequencing has been joined with

methods of instruction that have been proven to work, in this nation and abroad.
