For Christians, sex is a big thing because it's a big thing to God. Those outside the circle of faith often see followers of Christ as we typically see our parents. They couldn't possibly be sexual, save for the few obligatory engagements needed to bring offspring into the world. But this is a false understanding.

How religious believers describe God | Reza Aslan - Big Think

In the ancient Greek world, religion was personal, direct, and present in all areas of life. With formal rituals which included animal sacrifices and libations, myths to explain the origins of mankind and give the gods a human face, temples which dominated the urban landscape, city festivals and national sporting and artistic competitions, religion was never far from the mind of an ancient Greek.
