Oxford Business English English For Enhance your business communication skills to succeed in today's fast-paced global economy. Our English for Business course is for people who either plan to work or are already working in the field of business and commerce. The course covers a wide range of business language skills, including the language of presentations, the language of seminars, conferences and meetings, and describing tables and graphs.

English for Business | OxfordEnglish Knowing how to use English for Business is not about verbs, grammar or how it works in a classroom. It's about knowing how the language works in a commercial context. We have over 25 years experience on the boards of multinational companies, we are qualified English teachers and language learners, and our courses are written by graduates of Oxford University, the London Business School and the School of English at the University of Warwick.
